ANNUAL TOWN MEETING

ESSEX, SS.

To W. Charles Sellick, Constable of the Town of Saugus:

GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Saugus, qualified to vote in Town affairs, to meet at the several voting precincts of the Town on Monday, February 5, A.D., Nineteen Hundred and Thirty-four, at Twelve O'Clock M., then and there to bring in their ballots to the Wardens for the following Town Officers:

For One Year: Town Clerk, Three Selectmen, Three Members of the Board of Public Welfare, Three Playground Commissioners, Town Treasurer, Collector of Taxes, Constable, Tree Warden, Town Moderator, One Town Meeting Member in Precinct Two, One Town Meeting Member for Precinct Six, One Town Meeting Member for Precinct Seven, One Town Meeting Member for Precinct Eight.

For Two Years: One Member of the Board of Health, One Town Meeting Member for Precinct Five, One Town Meeting Member for Precinct Six.

For Three Years: One Assessor, Two Members of the School Committee, One Member of the Planning Board, Two Trustees of the Public Library, One Cemetery Commissioner, One Member of the Board of Health, Ten Town Meeting Members in Precinct One, Nine Town Meeting Members in Precinct Two, Ten Town Meeting Members in Precinct Three, Ten Town Meeting Members in Precinct Four, Seven Town Meeting Members in Precinct Five, Eight Town Meeting Members in Precinct Six, Eight Town Meeting Members in Precinct Seven, Ten Town Meeting Members in Precinct Eight.

Also to bring in your yes and no on the following questions:

1. Shall licenses be granted in this town for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wines and all other alcoholic beverages) ?

2. Shall licenses be granted in this town for the sale therein of wines and malt beverages (wines and beer, ale and all other malt beverages) ?

Also those qualified to vote in Town Elections and Town Affairs to assemble in the Town Hall, on Wednesday, February 14, Nineteen Hundred and Thirty-four, at Eight O'Clock to hear and act on the following articles, viz:

ARTICLE 1. To hear and act on reports of Committees.

ART. 2. To see if the Town will authorize the Treasurer, with the approval of the Selectmen, to borrow money in anticipation of revenue of the current financial year.

ART. 3. To see what sums of money the Town will appropriate and raise by taxation for Town Charges and for any other purpose for which the Town may legally expend money.

ART. 4. To see if the Town will vote to appropriate the sum of \$5,000, being the portion of the net expense so incurred and appropriated by the County Commissioners upon the inhabitants of the Town of Saugus for the care, maintenance, and repairs of the Hospital for the care of persons suffering from Tuberculosis, for the year 1933.

ART. 5. To see if the Town will vote to appropriate and raise the sum of \$850 for the purpose of maintaining during the ensuing year, the mosquito control works estimated and certified by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931, agreeable to the petition of the Board of Selectmen.

ART. 6. To see if the Town will appropriate the sum of \$30,000 for the unpaid bills of the various departments for 1933 and prior years, as follows:

Police	\$ 350.00
Soldier's Relief	6,150.00
Public Welfare	5,846.70

Infirmary	700.00
Gypsy Moth	36.00
Public Works (including snow and ice, highway, water, ashes, and C.W.A. projects)	4,500.00
Cemetery	127.30
Town Clerk and Tax Collector	100.00
Schools and Trade School Tuition	2,500.00
Health	4,500.00
Fire Department	150.00
Election and Registration	50.00
And Other Departments	0,000.00
	<hr/>
	\$30,000.00

ART. 7. To see if the Town will vote to accept Sections 1, 2 and 3, of Chapter 139 of the General Laws relating to burnt or dangerous buildings; or to see what action the Town will take in the matter.

ART. 8. To see if the Town will vote to accept Section 100A of Chapter 41 of the General Laws as amended by Chapter 318 of the Acts of 1933, said section relating to the indemnification by cities and towns which accept said section of an officer or employee thereof for expenses and damages incurred by him in the defence or settlement of a claim against him for bodily injuries, including death, at any time resulting therefrom, arising out of the operation of a motor or other vehicle owned by such city or town; or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

ART. 9. To see if the Town will vote to accept the layout of a Town way from Springdale Avenue to a private way known as Grandview Avenue across land of D. B. Willis and others in accordance with a report of the Selectmen and plan filed in the office of the Town Clerk and to raise and appropriate the sum of \$710 for land damages; or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

ART. 10. To see if the Town will vote to appropriate the sum of \$13,000 for supplies, and/or tools, and/or equipment to be used in connection with Civil Works projects to be carried

on during 1934 by the highway, water, or any other department or departments; or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

ART. 11. To see if the Town will vote to appropriate the sum of \$1,200 for the purpose of moving the present fire station to the Town Garage site, constructing a foundation, and making necessary alterations and renovations, agreeable to the petition of the Board of Selectmen.

ART. 12. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money for general municipal purposes under authority of and in accordance with the provisions of Chapter 49 of the Acts of 1933, or take any action relative thereto, agreeable to the petition of the Town Treasurer and the Board of Selectmen.

ART. 13. To see if the Town will vote to accept Wamesit Avenue from Western Avenue to Aberdeen Avenue in accordance with a report of Selectmen and plan on file in the office of the Town Clerk; or to see what action the Town will take in the matter.

ART. 14. To see if the Town will vote to accept Aberdeen Avenue in accordance with a report of Selectmen and plan on file in the office of the Town Clerk; or to see what action the Town will take in the matter.

ART. 15. To see if the Town will vote to accept Ocean View Avenue in accordance with a report of Selectmen and plan on file in the office of the Town Clerk; or to see what action the Town will take in the matter.

ART. 16. To see if the Town will vote to appropriate the sum of \$500 or less to be expended for the purpose of fencing the Southwestern boundary of Stackpole's Field Playground or any portion of the same. The same to be expended by the Board of Playground Commissioners; or to see what action the Town will take in the matter, agreeable to the petition of the Board of Playground Commissioners.

ART. 17. To see if the Town will vote to appropriate \$1,000 to deepen and widen the brook running from Central Street,

below School Street, to the Railroad; or to see what action the Town will take in the matter, agreeable to the petition of F. W. Johnson and others.

ART. 18. To see if the Town will vote to appropriate the sum of \$1,300 for nursing services and expenses to be expended under the direction of the Board of Health; or to see what action the Town will take in the matter, agreeable to the petition of Henry O. Westendarp.

ART. 19. To see if the Town will vote to purchase or take right of eminent domain for playground purposes the following described land: Lots A-19 and A-26 on Plan 1028 on file in the Assessors' Office, Saugus, Mass., now or formerly owned by Lewis E. Keith, containing 34,429 feet, and the buildings thereon, and 12,864 feet, respectively, and to appropriate therefor the sum of \$7,000; or to see what action the Town will take in the matter agreeable to the petition of C. F. Nelson Pratt and others.

ART. 20. To see if the Town will vote to direct the Board of Selectmen to appoint a committee of three or more citizens to co-operate with the Massachusetts Forest and Park Association in the detection and eradication of the Dutch elm disease, agreeable to the petition of the Board of Selectmen.

ART. 21. To see if the Town will vote to appropriate the sum of \$850 to be expended under the direction of the Town Treasurer to investigate and to determine the validity of tax titles held by the Town; or to see what action the Town will take in the matter, agreeable to the petition of the Town Treasurer.

ART. 22. To see if the Town will vote to raise and appropriate the sum of \$1,683.38 to repair and put in passable condition Newcomb Avenue from Jefferson Avenue to Edison Street; or to see what action the Town will take in the matter, agreeable to the petition of Ernest A. Dunham and others.

ART. 23. To see if the Town will vote to amend the zoning by-law by inserting therein a new section following Section 17, to be known as Section 17-A, as follows:

SECTION 17-A.—The removal for sale of sod, loam, sand,

gravel, or stone from single or general residence districts shall be deemed non-conforming use of premises. Such uses shall be permitted only after special permission of the Selectmen, as provided in Section 17, and under such conditions as the Selectmen shall impose. The Selectmen shall grant no such permit as would, in their opinion, adversely affect the scheme of growth laid down in the zoning by-law or elsewhere, or the economic status of the Town, or tend to impair the beauty of the Town or of the district most immediately affected, or develop health or other hazards. Conditions deemed by the Selectmen as tending to protect the Town and the district, shall be imposed where needed and made a part of the permit; or to see what action the Town will take in the matter, agreeable to the petition of the Planning Board.

ART. 24. To see if the Town will vote to appropriate and raise by taxation and/or by transfer from any unexpended balance of the sum of \$105,000 appropriated at the annual town meeting of 1932 under Article 22 of said meeting the sum of \$5,000, for the purpose of providing original cafeteria equipment in the Saugus High School Addition Building; or to see what action the Town will take in the matter, agreeable to the petition of the School Committee.

ART. 25. To see if the Town will vote to appropriate the sum of \$3,000, provided that the State and county contribute like amounts, for the reconstruction of Main and Howard Streets from the Melrose line to the Lynn Fells Parkway; or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

ART. 26. To see if the Town will vote to purchase or take by right of eminent domain for school purposes the following described land on Winter Street: Lots 3 and 4, being lots A-17 and A-18 on Plan on file in the Assessors' Office, Saugus, Mass., containing 10,000 feet and the buildings thereon, and lot 5, being lot A-19 on Plan 1013 on file in the Assessors' Office, Saugus, Mass., containing 5,000 feet and the buildings thereon, and to appropriate therefor the sum of \$14,000; or to see what action the Town will take in the matter, agreeable to the petition of the School Committee.

ART. 27. To see if the Town will vote to accept as a gift for playground purposes from Walter J. Taylor a parcel of land containing approximately 7000 square feet adjoining a portion of the Southwesterly boundary of Stackpole's Field Playground now owned by the Town, such conveyance to be subject to such restrictions or conditions relative to fencing the Southwesterly boundary of said Stackpole's Field Playground, including the parcel so conveyed to the Town, as may be set forth in the deed; or to see what action the Town will take in the matter, agreeable to the petition of the Board of Playground Commissioners.

ART. 28. To see if the Town will vote to change the Zoning By-law by amendment and/or repeal of any section or sections thereof and/or by addition thereto, so as to provide for a Board of Appeals, fix the number and term of office of the members and associate members thereof, define the powers and duties of such Board, make provisions under which such Board may make special exceptions to the terms of the Zoning By-law in accordance with general or specific rules, make provisions under which special permits shall be required and requests for such special permits be required to be acted upon by such Board, and/or otherwise amend, repeal or add to said Zoning By-law in any manner concerning the powers or duties of, and the issue of permits by, the Building Inspector, Board of Selectmen and Board of Appeals thereunder; or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

ART. 29. To see if the Town will vote to change the Zoning By-laws and the Zoning Map so that the following described areas shall hereafter be zoned for business purposes:

Land at the west corner of Main Street and the Lynn Fells Parkway, shown as Lot A-13 on Plan 1025 on file at the Assessors' Office, for a distance of 150 feet on Main Street and 150 feet on the Lynn Fells Parkway, to a depth of 150 feet;

Land at the south corner of Main Street and the Lynn Fells Parkway, shown as Lots A-12 and A-56 on Plan 1025 on file in the Assessors' Office, for a distance of 150 feet

on Main Street and 150 feet on the Lynn Fells Parkway, to a depth of 150 feet;

Land at the east corner of Main Street and the Lynn Fells Parkway, shown as Lot A-8 on Plan 1036 on file in the Assessors' Office, for a distance of 150 feet on Main Street and 150 feet on the Lynn Fells Parkway, to a depth of 150 feet; and

Land at the north corner of Main Street and the Lynn Fells Parkway, shown as Lots A-23 and A-6 on Plan 1036 on file in the Assessors' Office, for a distance of 150 feet on Main Street and 150 feet on the Lynn Fells Parkway, to a depth of 150 feet;

or to see what action the Town will take in the matter, agreeable to the petition of the Board of Appeals.

ART. 30. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money for general municipal purposes under authority of and in accordance with the provisions of Chapter 49 of the Acts of 1933 or take any action relative thereto.

ART. 31. To see if the Town will vote to authorize the refunding of any notes of the Town now or hereafter issued under authority of Section 4 of Chapter 44 of the General Laws as amended, such refunding to be subject to and as authorized by Section 17 of said Chapter 44; or to see what action the Town will take in the matter.

ART. 32. To see if the Town will vote to authorize the extension of any loan issued or hereafter issued in anticipation of the revenue of the year 1933 subject to and as authorized by the provisions of Chapter 303 of the Acts of 1932 as amended by Chapter 3 of the Acts of 1933; or to see what action the Town will take in the matter.

The polls will open at 12 o'clock, noon, and will close at 8 o'clock P. M., and you are hereby directed to serve this WARRANT by posting attested copies thereof at the usual places seven days, at least, before the time of holding said meeting.

HEREOF, FAIL NOT, and make due return of this WARRANT, with your doings thereon, to the Town Clerk, at the time and place of said meeting.

Given under our hands and Town Seal this twentieth day of January, A. D., nineteen hundred and thirty-four.

GEORGE H. QUARMBY,
JOHN C. PITMAN,
HARRY WOODWARD,

Board of Selectmen.

A True Copy. Attest:

W. CHARLES SELICK,

Constable.

January 26, 1934

In compliance with Chapter 55 of the Acts of 1928 and also with Section 2 of the by-laws of the Town of Saugus, I hereby certify that I personally mailed to all Limited Town Meeting Members, a printed copy of the warrant for the Annual Town Meeting of February 5, 1934.

Signed:

WALTER A. WILSON,

Town Clerk.

COMMONWEALTH OF MASSACHUSETTS

January 31, 1934.

ESSEX, SS.

Pursuant hereunto I have served the within Warrant as directed by posting attested copies at the several precincts at least seven days before said meeting and distributed to the inhabitants at least four days before, according to the by-laws.

A true copy. Attest:

W. CHARLES SELICK,

Constable.

A true copy. Attest:

WALTER A. WILSON,

Town Clerk.

* Elected.

February 5, 1934.

FINANCE COMMITTEEEDWARD GIBBS, *Chairman*FREDERICK R. SHARP, *Secretary*

BERTRAND D. WESTENDARP CHARLES T. ANDERSON

CHARLES E. STILLINGS ROBERT J. MAHER

LAURENCE F. DAVIS FREDERICK J. ENGLAND

Report of the Finance Committee**to the****Representative Town Meeting and Citizens of****The Town of Saugus***To the Citizens of Saugus:*

In submitting our report for the Annual Town Meeting of 1934, we desire to call attention to the fact that you have in your power through your action on the various items in the Warrant, an opportunity to effect a substantial saving from the requested amounts.

Contrary to previous requirements, it has this year been desirable for the Finance Committee to submit its actions with respect to each budget received, and the sum total of its recommendation to the Emergency Finance Board for their review.

The attitude of the Finance Committee has been to eliminate every item of unnecessary expenditure, and as such has deleted the combined General and Special Budget Requests of \$765,554.22 to \$621,678.05, a difference of \$143,876.05.

Appreciative of the splendid response and efforts of those participating in the contribution plan, and in justice to those who, because of the existing conditions a year ago, when it became necessary to reduce their wages or compensation, the Committee has, in view of the tendency to restore former wage levels and to comply with the expressed desire of many of our citizens, recommended the elimination of contributions and in general the restoration of salaries paid previously, this policy is reflected in the recommended amounts.

Special Articles Recommended for Passage

ARTICLE 2—To borrow money for general municipal purposes.

41. Voted: That the sum of \$20,750.00 be and the same hereby is appropriated for Highways, Fences, Bridges, Surface Treatment of Roads, Tar Sidewalks and Repairs. 10:05 P. M. (Reduced to \$18,608.61 by the Emergency Finance Board.)

42. Voted: That the sum of \$4500.00 be and the same is hereby appropriated for Snow and Ice Removal. 10:04 P. M.

43. Voted: That the sum of \$13,500.00 be and the same hereby is appropriated for Street Lighting. 12:12 P.M. 113 Yeas, 10 Nays. (Reduced to \$12,508.01 by Emergency Finance Board).

Voted: That the following sums be and they are hereby appropriated for the departments named:

44. Voted: That the sum of \$20,000.00 be and the same hereby is appropriated for Water Purchase. 10:13 P. M.

45. Voted: That the sum of \$20,000.00 be and the same hereby is appropriated for Water Maintenance. 10:20 P. M.

50. Voted: That the sum of \$6500.00 be and the same hereby is appropriated for the Cemetery Department. 10:21 P. M.

Voted: That the following sums be and they are hereby appropriated for the departments named:

- 46: Water Extension \$1000.00.
- 47. Water Meters \$250.00.
- 48. Installing gates \$200.00.
- 49. Hydrants \$250.00.

51. Voted: That the sum of \$9000.00 be and the same hereby is appropriated for the expenses of the Health Department, including \$1350.00 for salaries and transportation. 10:22 P. M.

53. Voted: That the sum of \$1025.00 be and the same hereby is appropriated for the expenses of the Plumbing Department, including salaries and transportation. Yeas 65, Nays 47. 10:35 P. M.

54. Voted: That the sum of \$550.00 be and the same hereby is appropriated for the Inspector of Animal Department. 10:36 P. M.

Voted: That the following sums be and they are hereby appropriated for the departments named:

52. Vital Statistics \$100.00.

55. Inspector of Milk \$300.00.

56. Collection of Garbage \$1800.00.

Voted: That the following sums be and they are hereby appropriated for the departments named:

Voted: To adjourn at 10:45 P. M.

57. Voted: That the sum of \$450.00 be and the same hereby is appropriated for Memorial Day. 10:37 P. M.

58. Voted: That the sum of \$1050.00 be and the same hereby is appropriated for Town Reports. 10:38 P. M.

61. Voted: That the sum of \$6000.00 be and the same hereby is appropriated for the Reserve Fund. 10:39 P. M.

62. Voted: That the sum of \$800.00 be and the same hereby is appropriated for Trade School Tuition. 10:40 P. M.

59. Voted: To lay insurance on the table.

60. Voted: To lay playgrounds on the table.

Voted: That the following sums be and they are hereby appropriated for the departments named:

63. Voted: That the sum of \$20,000.00 be and the same hereby is appropriated for Interest on Temporary Loans. 10:40½ P. M. (Reduced to \$15,000.00 by Emergency Finance Board.)

64. Voted: That the sum of \$6401.25 be and the same hereby is appropriated for Interest on School Loans. 10:41 P. M.

65. Voted: That the sum of \$1115.00 be and the same hereby is appropriated for Interest on Water Loans. 10:41½ P. M.

66. Voted: That the sum of \$26,500.00 be and the same hereby is appropriated for Schoolhouses Loan Bonds. 10:42 P. M.

67. Voted: That the sum of \$8000.00 be and the same hereby is appropriated for Water Loan Bonds. 10:42½ P. M.

68. Voted: That the sum of \$6000.00 be and the same hereby is appropriated for Welfare Loan Notes. 10:45 P. M.

Voted: To adjourn at 10:45 P. M. to convene again on Monday, February 19, 1934 at 8:00 P. M.

A true copy. Attest:

WALTER A. WILSON,
Town Clerk.

ADJOURNED ANNUAL TOWN MEETING

February 19, 1934.

The meeting was called to order by Moderator, Hon. Frank P. Bennett. Jr., at 8:15 P.M.

The reading of the records of the previous meeting was waived.

A count of the Town Meeting Members was taken, more than a quorum was found to be present.

The Moderator appointed the following Town Meeting Members to act as Tellers:

ALAN F. SAWYER
JAMES O. SMITH

PETER W. AINSLIE
LESTER T. POOLE

Mr. Harry W. Merrill, Chairman of the Committee to Investigate the Assessors was granted, at this time, permission to submit the Committee's Report. 8:18 P.M. to 9:26 P.M.

[The following report is included under the minutes of this meeting for the purpose of accuracy of the record, I have been advised that this was the proper procedure, by the

Moderator, Honorable Frank P. Bennett, Jr. and Town Counsel, Herbert P. Mason.

This report was submitted to the Town Meeting by the Chairman of the Board to investigate the Assessors' Office and was not accepted by the Town Meeting.]

WALTER A. WILSON,
Town Clerk.

February 19, 1934.

*To the Limited Town Meeting of the
Town of Saugus, Massachusetts:*

In the warrant of the Annual Town Meeting of 1933 there was inserted the following Article:

ARTICLE 38. To see if the Town will appoint a committee of five citizens to make an examination into the affairs of the Board of Assessors, including all matters pertaining to their duties, and especially into condition of affairs in the granting of tax abatements, or to see what action the Town will take in the matter, agreeable to the petition of Victor L. Bent and others.

At the Adjourned Annual Town Meeting on April 24, 1933, under Article 38, it was voted:

That a committee of five citizens, none of whom shall be or shall have been a member of the Board of Assessors, be appointed by the Moderator to make an examination into the affairs of the Board of Assessors, including all matters pertaining to their duties, tax abatements, actions and transactions. The committee so appointed shall be empowered to examine and/or to copy all tax records, documents, plans and all other property of the Town as it may in its discretion wish to do.

And said committee shall make its report in writing not later than the next annual town meeting, its recommendations to be embodied in its report, and the said committee to insert such articles in the Warrant for the town meeting at which it will report as will permit the town to act upon the committee's recommendations.

Under the above vote, the Moderator appointed the following Committee, and they were notified by the Town Clerk of their appointments on April 28, 1933:

ALEXANDER S. ADDISON, *Chairman*

GORDON C. MARR

HARRY W. MERRILL

ARTHUR D. HITCHINGS

HERBERT L. ROBINSON

all of whom were sworn to the faithful performance of their duties by Walter A. Wilson, Town Clerk.

The action of the Town Meeting in ordering an investigation of the assessors' department was due to a very general belief among our people that the operation of that department had not been conducted in a manner that the citizens had a right to expect and particularly that the chairman of the assessors was dominating the actions of the other members and abatements and exemptions were being allowed contrary to law for political and personal reasons. Rumors of that nature were freely circulated throughout the town and were re-enforced by articles in the public press.

The committee held its first meeting on May 2, 1933, at which time Herbert L. Robinson was elected to serve as secretary. On July 1, 1933 Gordon C. Marr, having been named as Superintendent of Riverside Cemetery by the cemetery commissioners, tendered his resignation and the moderator appointed Fred C. Smith to serve in his place. Mr. Smith qualified by taking the oath before the town clerk and the committee remained intact until November 28, 1933, when Mr. Addison resigned as a member and chairman because of the fact that he was to become a candidate for the Board of Assessors. The moderator appointed Mr. Lewis O. Stocker to serve in Mr. Addison's place and he took the oath of office before the town clerk. Mr. Merrill was elected Chairman and since then there has been no change in the personnel of the committee.

At the first meeting of the committee it was voted to hold regular meetings, so far as possible, on Friday evening of each week and this arrangement has been followed, except during the month of August, with several special meetings at other times. The committee has convened on forty different occasions and has met with the commissioner of corporations at the State House at six different times.

Soon after the committee commenced to make a study of its duties and the statutes governing Board of Assessors, it became apparent that it had been assigned a task which had no precedent in this Commonwealth. Nevertheless, the vote of the town meeting, by which the committee had been authorized, was so nearly unanimous that the committee felt it owed a duty to the town to carry out, as fully as possible, the mandate as expressed in the vote.

Chapter 58 of the General Laws of the Commonwealth of Massachusetts provides as follows:

SECTION 1. The commissioner of corporations and taxation, in chapters fifty-eight to sixty-five A, inclusive, called the commissioner, may visit any town, inspect the work of its assessors and give them such information and require of them such action as will tend to produce uniformity throughout the commonwealth in valuation and assessments. He shall prepare and issue printed instructions to assessors as a guide to them in carrying out said purpose, which shall be adapted to varying local circumstances and to differences in the character and condition of property subject to local taxation. He may furnish to local assessors blank forms for use in valuing such property. He may cause an assessor to be prosecuted, either in the county where said officer resides or in an adjoining county, for any violation of law relative to assessment of taxes for which a penalty is imposed. He may appear before the superior court or any board of county commissioners sitting for the abatement of taxes. He shall give his opinion to assessors and collectors upon any question arising under any statute relating to the assessment and collection of taxes, and may obtain the opinion of the attorney general upon such question. He may perform his duties under this section himself or by his duly authorized representative.

SECTION 3. The commissioner shall annually, on or before April first, furnish to each board of assessors all the information relating to the assessment, valuation and ownership of property taxable in their town that has come into possession of his department, particularly under

chapter sixty-five. He shall give to said assessors any further instruction and supervision as to their duties needed to secure uniform assessment and just taxation; and to equalize the valuation of property for purposes of State, county and local taxation.

SECTION 4. Whenever it appears to the commissioner that the property or any part thereof in any town is not valued for taxation in accordance with law, and that such failure to comply with law is the result of inadequate methods in keeping the records of valuation or ownership of property, or is due to failure on the part of its assessors or any of them properly to examine the records of the registry of deeds and probate court, or to make use of the information required to be furnished to assessors by the commissioner, he shall forthwith direct said assessors to adopt such methods of keeping their records or to make such examination of the records of the registry of deeds and probate court, or to make such use of the information that he has furnished to them, as he deems necessary. On failure by any assessor to comply with such directions of the commissioner, he shall forthwith notify the mayor or selectmen of said failure, with any recommendations which he deems necessary or expedient.

SECTION 5. The commissioner shall annually give instructions for preparing the notice and bringing in the lists required by section twenty-nine of chapter fifty-nine, and shall prescribe forms therefor so arranged that the statement of the person bringing in such a list will include all assessable property held by him. The commissioner shall cause to be printed and distributed to assessors forms for the lists and statements required therein relative to property held for literary, temperance, benevolent, charitable or scientific purposes.

SECTION 7. The commissioner shall from time to time secure information as to any unpaid taxes in any town, may examine the books, records and papers of collectors and assessors, and of other town officers, and may require them to make reports to him.

SECTION 8. Whenever it appears to the commissioner that at the end of two years from the commitment of any warrant to a collector any taxes upon such warrant remains uncollected, or if collected have not been turned over to the town treasurer, the commissioner shall within three months bring the matter to the attention of the attorney general, who may bring or cause to be brought an action of contract in the name of the town against the collector and upon his bond, in the superior court for the county where the town lies. Any amount recovered under this section shall be paid into the treasury of the town in whose name the action is prosecuted; but all reasonable expenses incurred by the attorney general in any such action shall be borne by the town, and may be recovered from it by the commonwealth in contract. If, at any time after the expiration of one year from the commitment of any warrant to a collector, the commissioner is of the opinion that any taxes thereon remaining uncollected should be abated, he may authorize the assessors, in writing, to abate any part or the whole of such taxes, either by items or by abatement of a sum total, stated in such written authorization. The assessors may thereupon make the abatement authorized and enter the same in their record of abatements, making reference in said record to such authorization as the cause or reason for the abatement.

From the above the conclusion may easily be drawn that, while the assessors are elected by the voters of the town, their duties are entirely governed by statute and they are under the actual supervision of the commissioner of corporations and taxation. Your committee also realized that it had no greater standing than any citizen or citizens in the town so far as inspecting the records of the Board of Assessors, unless the board was willing that it should receive any additional courtesy by virtue of the vote of the town creating the committee.

Realizing these facts the committee determined to approach the Board of Assessors courteously, and did so on various occasions, but without success. The Board of Assessors at first refused to co-operate with the committee in any way and would not grant the members any privilege which they were not already entitled to as citizens. Nevertheless we kept on

probing, not being discouraged by the fact that the chairman of the committee, in his visits to the assessors' office, was greeted with unbecoming language and remarks anything but courteous. Information reached the committee, in the early stages of its investigation, that the mere fact of its appointment was having a very salutary effect upon the assessors' office and that the members of that board were acting more cautiously than had been their custom hitherto, and because of this effect on the Board of Assessors the committee was of the opinion that more was to be gained by a not too hasty investigation. The results have more than justified this action of the investigating committee.

One of the first cases to come before the committee for study was the McDonough abatement. McDonough was considerably in arrears in the payment of his taxes. He also claimed that \$2800.00 was due him by the town in settlement of work performed by him some time ago on Essex Street. The selectmen claim the work was never authorized nor the bills approved for payment. The town counsel, at that time, states he advised against paying the bill and gave the opinion that the town could successfully defend the suit which McDonough had brought.

A conference on the matter was held at the State House with Tax Commissioner Long and was attended by members of the board of selectmen, tax collector, town counsel and the chairman of the Board of Assessors. The tax commissioner advised the committee he had considerable difficulty in obtaining information about the matter from the selectmen and town counsel. On the basis of such information as was placed before him he believed it to be for the best interests of the town to abate enough of McDonough's unpaid taxes as would offset the amount he alleged was due him from the town.

We do not doubt the tax commissioner acted in good faith and on the merits of such information as was placed before him, but the assessors were not compelled by law to abate any part of the McDonough taxes, although such an abatement was authorized by the tax commissioner. The assessors have no authority to abate taxes for the purpose of settling bills against the town and in this case, where the alleged bill had

not been approved by the selectmen and the town counsel had advised the bill should not be paid, the assessors should have caused the unpaid taxes of McDonough to follow the same course as the unpaid taxes of any other property owner.

Every property owner is entitled to have a fair valuation placed on his property and the town is entitled to the payment of a proper tax on that property. Also, all property owners should be treated alike. We believe the McDonough taxes should not have been abated by the assessors, because it is not within the scope of their duties to settle claims against the town.

The committee proceeded to investigate other abatements and exemptions allowed in 1932 and 1933. The first act of the committee was to invite the assessors to meet in conference in the hopes of securing the largest measure of co-operation. The assessors refused to attend such a conference but stated the committee could meet with them any time during their office hours. A member of the committee was then delegated to visit the assessors' office to consult the public records and interview the assessors during their office hours.

From the start the chairman of the Board of Assessors has displayed an intense antagonism toward the committee, which the town meeting by vote directed to investigate that department. The assessors claimed the town meeting had no authority to investigate their department, that their work was governed by statute and was under the supervision of the commissioner of corporations and taxations. As already stated, they took the position that the members of the investigating committee had no more standing before their board than private citizens.

We tried to impress upon them the belief that, notwithstanding their claim that the committee had no authority to investigate their department, the citizens felt they had sufficient reasons for being dissatisfied with the operation of the assessors' office; that three times a vote of lack of confidence in the board had been passed and the assessors were, therefore, on the defensive and they should, for their own good, place all information, not specifically prohibited by law, before the committee and frankly co-operate with the investigation. In-

stead the chairman has done what he could to hinder the members of the committee and on several occasions grossly insulted them.

The law provides that all public records shall be open for inspection of whomsoever wishes to consult them during reasonable hours, and also the assessors shall designate some particular clerk to have custody of all records in their office. The regular office hours of the assessors' department are considered reasonable hours for the inspection of public records and the clerk having the custody of the records is not required to have an assessor present before offering the records for inspection.

Twenty-four hours notice was given the assessors that a representative of the investigating committee would visit their office at nine o'clock October 17, 1933. At the time designated the committee member was in the assessors' office but no assessor was present and the clerks would not permit the records to be seen. One assessor had agreed to be present, but did not appear up to eleven o'clock. At that time the committee member left the assessors' office at the same time giving notice that another visit would be made at nine o'clock October 20. On that date it was necessary to wait until it was convenient for the chairman to arrive before the records could be seen.

Although Mr. Mullen has no more responsibility for the proper conduct of the office than other members of the board, yet, up to this time, Mr. Daniel B. Willis and the clerks appeared to fear to show the public records without the permission of the chairman.

October 24. Much progress was made, however, in studying the records due to the absence of Mr. Mullen and the willingness of Mr. Willis to co-operate by showing the records.

October 27. The assessors placed in the hands of the committee members certified correspondence which had passed between the assessors and David W. Creelman, Director of Division of Local Taxation, which appeared to indicate the assessors did not have to answer any questions they did not care to. This was a wrong assumption for the assessors to make. Much progress was made this date in the inspection

of records because Mr. Mullen and Mr. Willis left the room while the committee member was working.

October 31. No interference. Much progress.

December 1. The committee member was notified by Miss Hawkes that Mr. Mullen had forbidden her to show the public records to him. The reason given was that Mr. Mullen was to be in Boston and Miss Hawkes was not competent to properly supervise the inspection of the records. Miss Hawkes has had the custody of the public records for many years and properly safeguarded them, and it was difficult to understand why Mr. Mullen desired to humiliate her in that manner.

December 6. Two members of the committee visited the office of the assessors to see the records. We were refused a chance to sit down and were told the front office was Mr. Mullen's private office and we could not go in there. We were told the books could be seen one at a time at the counter and if we desired to make notes we would have to do so standing up. Also, Mr. Mullen advised the clerks not to answer any questions.

The committee then wrote the assessors that they would visit their office December 9 and would expect to see all of the members at that time. This was the meeting in which Mr. Bryer offered to provide the committee with such information as was requested and Mr. Mullen was determined that as little co-operation as possible should be given. It was on this occasion that Mr. Mullen's remarks were so offensive to Mr. Bryer that it caused the junior member of the board to threaten the chairman with physical punishment and the Lynn and Boston papers reported a fist fight between the two assessors. This disgraceful exhibition resulted in little progress being made, although the assessors did admit that in one case an abatement had been granted which would not have been had they known all the facts that have since appeared.

After this fracas the Board of Assessors advised it would be pleased to confer with the committee on December 16, but because of our experience of the week before and knowing that Mr. Mullen would try to block every effort that was made, we declined.

The committee at no time expected any information but what it was lawful for the assessors to give, but claimed the right to receive information on all matters relating to the affairs in the assessors' department excepting that prohibited by Chapter 59, Section 32. We did expect willing co-operation from Mr. Willis, but he appeared to be completely dominated by the chairman of the Board, who on all occasions endeavored to act as the majority of the Board.

The public acts of every official are subject to review by some authority. Two courses were open to the committee whereby they might hope to secure the desired information and complete an investigation of the department. Either the committee could petition the court for an order to have the assessors open all records for inspection or the committee could request the commissioner of corporations and taxation to make an investigation. A petition to the court might have resulted in a long drawn out affair, so consequently the committee went to the State House and in a meeting held December 13 the situation was explained to the commissioner, who, at our request, ordered a deputy to Saugus to examine the books in the assessors' department.

Through that official we were privileged to confirm much of the information which we have presented and which had been denied us by the Board of Assessors. Many of the individual cases which we are making a part of this report, especially as to abatements, were brought out in the tax commissioner's investigation and supported the information that had come to us as a committee.

The commissioner later sent the following letter to the Town of Saugus and in it he confirmed the conviction of the committee that there had been irregularities in the assessors' office:

January 13, 1934.

To the Town of Saugus, Massachusetts

As Commissioner of Corporations and Taxation my attention was called to a vote taken by the citizens of Saugus in town meeting assembled, resulting in the appointment of a committee to investigate the Board of Assessors in order to quiet,

by the establishment of the facts, unfavorable comment in respect to their activities. It appearing that this was a desire on the part of the citizens of Saugus for proper governmental functioning, an examination of the activities of the Board of Assessors seemed to me to be in the interest of good public policy.

The Assessor is not an agent of the town, but as held by the courts is a public official controlled in his actions by the provisions of the General Laws of the Commonwealth. The records of the Assessors, which are required under the statutes to be kept, are in accordance with the law public records and during reasonable hours open to the inspection of whomsoever wishes to consult them. The Assessors, however, have the right to control the manner in which the public records are to be examined and in the event there is a desire to minutely inspect the records regarding numerous actions they have the right to make certain that such examination does not interfere with necessary work. It is to be understood that applications for abatement, requests for exemptions and sworn lists of taxable property are not public records and consequently the Assessors have no right to disclose the contents of these documents to any persons other than the Commissioner of Corporations and Taxation or his representative.

In view of all the circumstances of the apparent situation in Saugus it seemed clear that an examination should be made by me as to the functioning of the Board of Assessors in respect to abatements granted and exemptions allowed. The Assessors' records for the years 1932 and 1933 were carefully examined as to abatements granted and exemptions allowed. It was apparent at the outset that the Saugus Board of Assessors had fallen into the error made perhaps by some other Assessors who had not thoroughly familiarized themselves with the law and who were at least somewhat lacking in sensing their responsibility as to living within the law. The Assessors of Saugus can very well be charged with allowing their personal thought to control their granting of abatements and allowing of exemptions and with not strictly confining themselves to the statute, which in substance requires every person to prove that he comes within the law and is entitled to the exemption or abatement sought. It is unfortunate, but it is true that old as

well as new assessors sometimes assume that they have a personal right, by virtue of their office, to favor those who they think are entitled to tangible expressions of sympathy and to refrain from an allowance, although definitely established, to those who seem at the moment not to be worthy of the favor of the individual who happens to be a member of the Board of Assessors.

The Assessors of a municipality must act as a Board. What one member does is of no consequence as to valuation, abatement or exemption activities because the entire Board is responsible for what is done by way of valuation, abatement or exemption. It has again and again been demonstrated that after an assessor has been in office for a while he either makes clear that he is definitely unfit for the position because he persists in his failure to familiarize himself with the duties of the office and the restrictions which are to guide him in keeping within the law, or he senses that his early activities were in error and that the best public service he can perform is in limiting his activities to what the law contemplates rather than to what his heart dictates or his urgings for favoritism prompt.

An examination of the Saugus Assessors' records respecting abatements and exemptions leads quickly to the conclusion that the liberality displayed in granting certain exemptions and abatements was not warranted by the facts. It does not appear that there was such gross abuse of power that court action should be taken against the Board of Assessors for violating their oath of office, although there were numerous instances of abatements and exemptions which it is believed the Assessors now feel should not have been granted. It seems to me that the situation can be described by visualizing three Assessors somewhat disregarding the statute, proceeding on what they felt as individuals should be done, and discovering, after the seasoning of months of tax experience, that they had gone too far in proceeding without good knowledge of the law or the facts, and now wishing as a result of their inattention to the law and facts that they could undo what they had done and with the thought that in the future they will proceed cautiously in granting abatements and allowing exemptions.

It is my opinion that the action already taken has proven sufficient to inculcate a spirit of caution in the Board of Assessors. While there may be instances that appear as a glaring disregard of the statute, it is not of such devastating character as to warrant action by seeking indictments of the individual members of the Saugus Board of Assessors. Action taken in any way and inquiry made in any way must be against the Board of Assessors as a whole and if blame is to be placed it must be fixed on all three members of the Board, because no one or two members can be held to be guilty of any departure from what would seem to be strict compliance with the law. If there is a departure sufficient to warrant court action, it is against the three members as the law permits lawful action only by a board and action by a single member is totally unlawful and ineffective.

It goes without saying that the Board of Assessors have at least shown through the record of their proceedings very bad judgment and indication of ignorance of what is required of them as Assessors in handling abatements and exemptions. The town to some extent is at fault in that its civic responsibility has only slightly been recognized in but partially making provision for the proper equipment and providing space for the Assessors, whomsoever they might be, to properly conduct assessing activities in a municipality the size of Saugus. needing, as it does because of its far-flung borders, greater facilities for accomplishing the equalization of value and a proportionate tax burden.

It can be said with truthfulness that the Board of Assessors of Saugus has shown decided improvement during the last year and have more carefully scrutinized requests for abatements and exemptions, and if there is a continuation of a desire on the part of the members of the Board to properly discharge their duties, as there is present indication of there being, the assessment work in the Town of Saugus will show a most commendable improvement.

Respectfully yours,

(Signed) Henry F. Long

Commissioner of Corporations and Taxation

A copy of this letter was sent by the commissioner to the Board of Assessors.

The majority of the assessors was apparently disturbed because the commissioner had charged them with "allowing their personal thought to control their granting of abatements and allowing of exemptions and with not strictly confining themselves to the statute", and stating "an examination of the Saugus assessors' records respecting abatements and exemptions leads quickly to the conclusion that the liberality displayed in granting certain exemptions and abatements was not warranted by facts", and further adding "It goes without saying that the Board of Assessors have at least shown through the record of their proceedings very bad judgment and indications of ignorance of what is required of them as assessors in handling abatements and exemptions."

It was reported by Mr. Long that after receipt of this letter, representatives of the board were at the commissioner's office almost every day trying to persuade the commissioner to ease, at least, some portions of his more or less harsh criticism of the conduct of their office. They, (the assessors) claimed that this committee was exhibiting the commissioner's letter to people in the town for political purposes. This claim had no foundation in fact and was absolutely false.

On one of these visits the assessors advised the commissioner that it had been reported in Saugus that he was to ask for indictments against certain members of the board. That representation drew from the commissioner the following letter:

The Commonwealth of Massachusetts
State House, Boston

January 18, 1934

To the Town of Saugus, Massachusetts

This is to advise you that no letter has gone from me as Commissioner of Corporations and taxation to any one that indicates that the Assessors either individually or collectively are to be the subject of an indictment by me or any action motivated by me. There has been no communication whatsoever in respect to the Assessors of Saugus other than the one

that was sent under date of January 13, 1934, addressed to the Town of Saugus, and a letter sent to the Board of Assessors under date of January 18, 1934.

If any one says that indictments are about to be sought or that the Commissioner of Corporations and Taxation feels from anything that he has so far discovered that he is warranted in bringing indictments, this letter will disprove that statement, and personally I am here taking the opportunity of declaring all such statements false in every particular.

Respectfully yours,

(sgd) Henry F. Long

Commissioner of Corporations and Taxation

In answer to assessors' plea for a more favorable statement than that contained in his letter of January 13, the commissioner wrote a letter to the Town of Saugus dated January 19 as follows:

The Commonwealth of Massachusetts
State House, Boston
January 19, 1934

To the Town of Saugus, Massachusetts

SIGNED COPY

Under date of January 13, 1934 there was addressed a letter to you respecting the Board of Assessors and the granting of abatements and exemptions by them during the years 1932 and 1933. As a matter of right a copy of this communication was forwarded to the Board of Assessors as it was clearly proper for them to know the contents of any communication sent by me which at all affected them or their work. It has been represented to me that persons unfriendly with the Board of Assessors or naturally desiring to find fault, through selecting certain portions of the letter, might make it appear that the members of the Saugus Board of Assessors were totally ignorant, had grossly violated the statute and without good judgment or with design granted favors through exemptions and abatements not warranted by the law.

The letter could, of course, be read as a whole and taken as a general statement rather than as a specific statement. Real-

izing, however, that there are those who might desire to reflect upon individuals against whom they had feeling, I sense that it may be fairer to state in this letter that there was no thought in my mind of singling out any one for particular discredit nor did I intend that my communication should be used, so far as any parts of it were capable of being so used, to injure or benefit any one. My sole objective is the proper assessment of property in Saugus, the proper handling of exemptions and abatements, the proper conduct of the office in all its aspects and with no concern as to individuals, as individuals, who may be occupying the position of Assessor.

It may be well at this point to note that the improvement in the conduct of the assessing office in Saugus has been such that a continuation of it will react to the benefit of the town and to assessing activities of the Commonwealth.

So far as my letter of January 13 is concerned it is to be constantly held in mind, and perhaps I should have made that clearer in the communication, that my observations were founded exclusively on what was shown on the records as made available to me by the Board of Assessors on which reasons for their action in granting exemptions and abatements should be set forth.

Since the letter of January 13 the Assessors have indicated that in many instances oral testimony was given them which was not a matter of permanent record and which if available to me would have permitted the elimination of any misconceptions that my letter might have implied.

Undoubtedly the last few years of depression have been difficult ones for Assessors. It is represented to me that the situation in Saugus was particularly bad. The assessors are of opinion that the information which they had, but which they did not put on a record card, more than justified them in reaching the conclusions which resulted in relief and that they are substantiated in this by the results shown, indicating to them that the steps taken were proper to alleviate the great distress they found.

This letter is written not for the purpose of neutralizing my letter of January 13, 1934, but to make it clear and specific

that so far as I am concerned there was no thought to have my letter other than general in character and specific in respect to the Board of Assessors of Saugus only so far as the records as shown indicated a conclusion could be drawn and in no respect to be specific as to any individual assessor. I am now told that there was a possibility of my communication, or certain portions, being used for personal reasons or purposes and not taken as a whole for use in the manner that was intended.

The additional information given me orally by the Board of Assessors which was not a matter of record is at least of sufficient importance to warrant my making a further examination, with the thought that this examination would definitely determine whether the Board of Assessors had exercised good or bad judgment and whether they as a Board had acted contrary to law, or, following the law, had interpreted its provisions liberally or strictly.

Respectfully yours,

(Signed) Henry F. Long

Commissioner of Corporations and Taxation

This letter, on first reading, might seem to counteract the commissioner's charges as stated in his letter of January 13, although in this he stated "This letter is written, not for the purpose of neutralizing my letter of January 13." The commissioner also stated verbally that his position had not changed from that taken in his first letter.

We understand the chairman then requested the commissioner to prove his charges by listing cases where abatements were granted and exemptions allowed improperly. The commissioner replied with a list of cases. This letter was addressed to the Board of Assessors, but a copy was not supplied the committee. The letter, however, was read to members of the committee by Mr. Long in his office.

The committee immediately asked for details of the cases mentioned in the letter to the assessors and also about some others in addition, the abatement slip numbers in our request being noted here for record as follows:

Abatement Slip No.	5	Granted 1932	Years Tax 1932
	68	1932	1932
	71	1932	1931
	101	1932	1931
	102	1932	1931
	108	1932	1931
	111	1932	1931
	119	1932	1931
	133	1932	1932
	137	1932	1931
	142	1932	1931
	182	1933	1932
	186	1933	1932
	199	1933	1932
	205	1933	1932
	209	1933	1932
	232	1933	1932
	248	1933	1932
	262	1933	1932
	287	1933	1932
	340	1933	1932
	399	1933	1932
	454	1933	1933
	494	1933	1933

It is interesting to note that, of the above twenty-four abatements, eleven were granted in 1932 and thirteen in 1933. Eight of these were for 1931 taxes, fourteen for 1932 taxes and two for 1933 taxes.

The committee received the commissioner's detailed information of the cases mentioned in our request, his letters being dates February 6 and February 9, as follows:

The Commonwealth of Massachusetts
State House, Boston.

February 6, 1934.

The Town of Saugus, Massachusetts.

SIGNED COPY

Under date of January 31, 1934 inquiry is made in regard to an examination of the findings of the board of assessors of

the Town of Saugus with respect to abatements granted or exemptions allowed numbered as follows:

Abatement Slip No. 5	Abatement Slip No. 186
68	199
71	205
101	209
102	232
108	248
111	262
119	287
133	340
137	399
142	454
182	494

Much of the information that would otherwise be available is not available for publication but it does seem clear that a certain amount of information is available to the Town of Saugus as a public matter.

Abatements are granted under the authority of Section 59 and 61 of Chapter 59 of the General Laws where a person aggrieved applies for an abatement of the tax. Exemptions are allowable under the provisions of Clause 17 and Clause 18 of Section 5 of Chapter 59 of the General Laws, also under Clause 22 of the same section provided there is seasonable filing.

Clause 17 reads as follows:

Seventeenth, Property, to the amount of two thousand dollars, of a widow, of a person above the age of seventy-five, or of any minor whose father is deceased, who are legal residents of the commonwealth, whether such property be owned by such persons separately, or jointly, or as tenants in common; provided, that the whole estate, real and personal, of such person does not exceed in value the sum of two thousand dollars, exclusive of property otherwise exempt under the twelfth, twentieth and twenty-first clauses of this section and exclusive of the value of the mortgage interest held by persons other than the person to be exempted in such mortgaged real estate as may be included in such whole estate; but if, the value of such

whole estate being less than two thousand dollars, the combined value thereof and of such mortgage interest exceeds two thousand dollars, the amount so exempted shall be two thousand dollars. If the property of a person entitled to such exemption is taxable in more than one town, or partly without the commonwealth, only such proportion of the two thousand dollars exemption shall be made in any town as the value of the property taxable in such town bears to the whole of the taxable property of such person. No property shall be so exempt which the assessors shall adjudge has been conveyed to such persons to evade taxation. A person aggrieved by any such judgment may appeal to the county commissioners or to the board of tax appeals within the time and in the manner allowed by section sixty-four or sixty-five, as the case may be.

Clause 18 reads as follows:

Eighteenth, The polls and any portion of the estates of persons who by reason of age, infirmity and poverty are in the judgment of the assessors unable to contribute fully toward the public charges.

Having these two clauses in mind and having in mind Section 59 which provides for an application for abatement where there is an overvaluation, the following observations can be given as to these numbers.

Date of Abatement	Abatement Number	Years Tax	Taxpayer and Clause Granted	Comment
May 23, 1932	101	1931	Pinder, Mae Elizabeth Disability—\$119.63 No clause stated.	No application or sworn list on file.
May 31, 1932	102	1931	Rogers, Janet L. Widow \$158.59 No clause used.	No 1931 application on file. Amount too large for cl. 17.
May 31, 1932	108	1931	Holland, Mary Widow \$120.66 Whole tax abated	No application on file—Amt. granted too large for cl. 17.
May 31, 1932	111	1931	Elliot, Alice M. Widow \$143.15 Whole tax abated	No written application on file— Amount too great for Cl. 17.
June 6, 1932	119	1931	Coates, Arthur B. Sec. 61 \$64.42	Sworn list too late—Not dated or marked filing date.
Dec. 13, 1932	133	1932	Cedar Glen Golf Club Cl. 18 \$235.14	Not a cl. 18 case
July 12, 1932	137	1931	Hicks, Edith E. Disability \$83.61	Equity probably above \$2,000 (see 1932) No clause used—No application on file.

Date of Abatement	Abatement Number	Years Tax	Taxpayer and Clause Granted	Comment
July 25, 1932	142	1931	Mellaly, Mary E. Sec. 61 \$11.25	Sworn list too late—Dated July 25, '32, not marked filing date.
Jan. 3, 1933	182	1932	Noble, Frederick B. & Bertha M. Cl. 17-18 \$119.36	Husband in jail long term. No application on file. Not a cl. 17 case.
Jan. 9, 1933	186	1932	Wentworth, Harry F. Cl. 18 \$249.18 Whole tax	List form filed Oct. 10, 1932. Letter sent board Oct. 31, '32 followed complete denial by board on Oct. 29, and only asked reduction. Certificate issued abating whole tax.
Feb. 13, 1933	232	1932	Somerville Co-op. Bank Cl. 18 \$20.72	Poverty abatement to bank—Eisan purchaser Oct. 1932 applied.
Apr. 17, 1933	248	1932	Mosher, Charlotte P. Cl. 61 \$25	Sworn statement late, dated Apr. 17, 1933, no application filed.
May 15, 1933	262	1932	Marshall, Herbert B. & Flora G.	Was not a widow on Apr. 1, '32. Husband died Mch. 11, 1933.

Date of Abatement	Abatement Number	Years Tax	Taxpayer and Clause Granted	Comment
June 19, 1933	287	1932	Whitford, Leon M. & Brown, Charles M. Sec. 59 \$22.65	No application or sworn list filed. Time limit expired April 1.
July 24, 1933	340	1932	Duguay, Gabriel Cl. 22 all abated \$37.46	Not the owner or person assessed Apr. 1, '32—Assessed to Joseph J. Fadden
Oct. 6, 1933	454	1933	Furbush, Leroy C. Sec. 59 \$6 Personal	No May 15 sworn list filed, 50% penalty not held
Nov. 2, 1933	494	1933	Paridon, Ingrid M. Cl. 17 \$60	Application shows whole estate too much for cl. 17 (\$3,025)

The above is all the information that I have had personally.

Very truly yours,

(Signed) Henry F. Long,

Commissioner of Corporations and Taxation

The Commonwealth of Massachusetts
State House, Boston.
February 9, 1934.

The Town of Saugus, Massachusetts

Supplementing my letter of February 6 the following additional facts are enumerated respecting abatements granted or exemptions allowed:

Date of Abatement	Abatement Number	Years Tax	Taxpayer and Clause Granted	Comment
Sept. 28, 1932	5	1932	Garra, Gertrude L. Sec. 5, Inability \$69.70	No written application on file.
(Reported Cancelled and Paid on Omitted List)				
Oct. 17, 1932	68	1932	Anderson, Annie E. Cl. 18, \$9.53	Written application not signed or dated, no filing date. Pertinent questions not answered.
Oct. 19, 1932	71	1931	Wood. Vina B. Cl. 18, \$85.89	No written application on file.
Jan. 23, 1933	199	1932	Levine, Clara Cl. 18, \$100	No written application on file.
Jan. 23, 1933	205	1932	Yanofsky, Benjamin Sec. 61, Statement \$10.46	May 15 list form filed dated 1-18-33, no filing date.

Date of Abatement	Abatement Number	Years Tax	Taxpayer and Clause Granted	Comment
Jan. 30, 1933	209	1932	Humphries, Frank H. and Violet	No written application on file.
			Cl. 18, \$101.07, whole tax	
Aug. 17, 1933	399	1932	Hicks, Edith E.	Written application dated Aug. 7, 1933, filed same date.
			Cl. 18, \$101.07, whole tax	

The above is all the information that I have had personally in these cases.

Verp truly yours,

Signed: Henry F. Long

Commissioner of Corporations and Taxation

This list of abatements and exemptions, supplemented by the verbal statement of the commissioner that there was a total of 47 cases in 1932 and 39 in 1933, which he considered improper, represents approximately 14% of the total number of abatements. This supports the charge of the commissioner in his letter of January 13 that "the assessors allowed their personal thought to control the granting of abatements and allowing of exemptions and with not strictly confining themselves to the statutes."

The terse comment of the commissioner in each of the above cases carries a conclusion that has been reached after careful consideration and a familiarity with the statutes and duties of assessors. To these comments, nothing further could be said that would add supporting strength unless it may be some local color of which the commissioner has no knowledge.

One of the worst violations, in the judgment of your committee, was that of the case of Harry F. Wentworth, whose tax for 1932 was wholly abated without any request for such abatement. The only request he did make was a reduction in valuation on one building located on the property. It might be of interest to refer to the statement which Mr. Wentworth, who is a member of the school board, has made in connection with his abatement:

"About the middle of October 1932 I appeared before the Board of Assessors and told them that I thought the garage was assessed a little high—also that the house being much out of repair was valued too high. They asked me how much I wanted deducted and I told them about \$475.00. I filed an application for this amount, which should be on hand in the assessors' office.

The Board of Assessors promised to look over the property to substantiate my statements, but never did. Between the time I applied and the latter part of October I asked Mr. Mullen on two occasions if he had done anything about the matter and he said no, but that they would see to it as soon as possible.

I received a letter from the Board on October 29, 1932 advising that they did not feel the valuation excessive and

that a vote was taken not to grant the abatement requested. I replied to this letter under date of October 31, informing them that if they would look the property over they might see the matter in a different light. I received no reply to my letter, neither did I attempt to force the matter further. I did ask Miss Hawkes later on if the Board had taken any action and I received a negative answer, and I said to her at the time that I should drop the matter.

It was not until January 9, 1933 that I heard further and on that date I was handed, by a third party and not by the Board of Assessors, an abatement for the total amount of the tax. This was a complete surprise to me as well as to the third party who handed me the abatement slip.

Would further state that I *never asked* to have the taxes totally abated."

The abatement of the real estate tax of Frank H. and Violet Humphries for the year 1932, amounting to \$101.07, was made on January 30, 1933, at which time Mr. Frank H. Humphries was employed on the Saugus High School Addition, receiving \$1.25 per hour. He was employed on this job from approximately January 20, 1933 to March 16, 1933, receiving total wages of \$227.83. In other words, here was a taxpayer that received in wages from the town more than twice what his taxes amounted to and yet the full tax was abated at a time when he was virtually working for the town.

Another case that may be mentioned in passing is the abatement made on February 13, 1933 on property assessed to the Somerville Cooperative Bank, the abatement being made under Clause 18, which relates to age, infirmity and poverty. As the first two terms could not be applied very well to a bank, the reason must have been because of poverty, as the commissioner says. The scriptural reference to the abiding of faith, hope and charity, the greatest of which is charity, has been discarded for the new abatement code: and now abideth age, infirmity and poverty but the greatest of these is poverty, especially when it relates to a bank.

One other abatement which should be noted, although it is not included in the commissioner's investigation list, is that of Harry N. Woodward, son of selectman Harry Woodward, whose 1931 real estate tax of \$48.06 was abated in full on September 15, 1932. On October 17, 1932, Mr. Harry N. Woodward returned the abatement slip to the Board of Assessors with the following letter:

Saugus, Massachusetts

Oct. 17th, 1932

Honorable Board of Assessors,

GENTLEMEN:

I am enclosing slip No. 205 issued to cover abatement of taxes amounting to \$48.06 for 1931 on property located at 1 Glen Street.

Please cancel this abatement, which was issued without my knowledge or consent.

(Signed) HARRY N. WOODWARD

1 Glen Street, Saugus

The above Harry N. Woodward personally appeared before me and stated this to be his free act.

WALTER A. WILSON

Justice of the Peace

In connection with the abatement, your committee has a statement of Harry N. Woodward's father, Mr. Harry Woodward, a resident of Saugus for 20 years and selectman for the past 8 years. He was also reelected to the Board of Selectmen on February 5 and is now chairman. The statement was given on November 9, 1933 and is as follows:

"On September 16, 1932 Mr. John J. Mullen called me on the telephone and asked if Harry N. Woodward was my son. I told him he was. He wanted to know if he had paid his taxes for the year 1931. I replied "I don't think so." He then asked me if he was able to pay them. I said "I think not." After a pause he told me that the Board of Assessors had voted to abate his taxes.

Some time during the following week Mr. Mullen handed me an abatement slip, which was in full for 1931 real estate tax, and asked me to give it to my son. This I did the first time I saw him. My son was taken by surprise, saying he had never asked for the abatement and should return the slip. A couple of days after, my son accompanied me to the Town Hall and in my presence returned the abatement slip to Mr. Daniel B. Willis, a member of the Board of Assessors, with a letter of refusal. Mr. Willis' remark was that it was too bad as they wanted to help him."

Still another abatement which was not included in the commissioner's list is that of Clayton Penny for \$180.99, granted on May 2, 1932, the full Board at that time, Austin, Mullen and Willis, were recorded as present at the meeting, and the reason given being disability under Clause 18.

The Lynn Item of July 20, 1932 carried an article with the double heading:

DAMON-AND-PYTHIAS-LIKE FRIENDSHIP OF
REP. PRATT AND ASSESSOR WILLIS CRACKS

the opening paragraph of which was as follows:

Branding a statement recently made by Rep. C. F. Nelson Pratt that the resignation of Lewis J. Austin as chairman of the Saugus board of assessors was forced, as untrue, Daniel B. Willis, this morning, said that he considered the repeated attacks made against the board of assessors during the past several weeks a personal reflection upon his honesty and integrity.

This was followed by a lengthy statement, over Mr. Willis' signature, in which appeared the following:

The truth is that the contractor in question is a hard working citizen who has resided in the town for years. He protested that his assessment was excessive and the board investigated. The board felt likewise and granted an abatement of \$80.70. The \$180.77 figure was a clerical error and was not an attempt by anyone to cover up anything.

As a matter of fact, the assessors' records clearly show that the amount of the abatement granted was \$180.99. As the tax rate for 1931 was \$40.90, the abatement would represent a reduction of approximately \$4,425.00 or the complete wiping out of an assessed value to that amount. The name of the contractor was not mentioned in Mr. Willis' statement but it is assumed that it referred to Mr. Penny.

The investigating committee has been informed that Mr. Penny worked for Walter A. Wilson from October 23, 1931 to February 21, 1932 building a new house for the town clerk. We understand his wages were \$50.00 per week. He then worked for Charles E. Wilson, from whom he received his first pay on February 29, 1932 and his last pay on July 2, 1932. It was between the latter dates that the abatement was granted, when, if we are informed correctly, he was receiving the same pay as during the time he worked on the town clerk's new home. The sum of \$50.00 per week would, no doubt, be considered a fair wage during normal times but especially would this be true during the depression years of 1931 and 1932.

We also understand that Mr. Penny was employed on the High School addition as a foreman carpenter during all the time construction was going on.

Now, Mr. Moderator, Members of the Limited Town Meeting and Citizens of Saugus, your committee feels that these abatements raise serious questions. They should be considered seriously and your answers should likewise be serious.

In our opinion, it is apparent that the Board of Assessors was completely Mullenized after John J. Mullen became a member of the Board in March, 1932 and it appears that his domination over that Board is still supreme.

It is also apparent that the Mullenizing of the Board of Assessors is not stopping there, but is being carried into other town departments as fast as the former plumbing inspector of Boston and the one-time and one-term-only former mayor of Everett can do so.

In other words, there is a noticeable effort being made to hoist the flag of Mullen over every town department in the Town of Saugus. Shall this program be halted and the cancer

on the body politic, which it has created, be cut out by the surgeon's knife in the hands of an awakened citizenry?

The committee reports to the town meeting the following results of its investigation to date:

1. The acts of the Board in 1932 and of the majority of the Board of Assessors in 1933 and to date clearly appear to have been dominated by the chairman of the Board.
2. The assessors did grant abatements and allow exemptions in violation of the statutes. Some abatements were made that were not even asked for by the recipients.
3. Mr. Mullen and Mr. Willis, in holding the business meetings of the board when Mr. Bryer cannot be present, are in that way, as well as in other ways, preventing Mr. Bryer from performing the services of an assessor, which the voters desired him to do when they elected him a member of the board.
4. The assessors should be provided with more office space.
5. The town should consider the matter of having a full time assessor.

The reports that the chairman of the Board has been offering and granting abatements for political purposes cannot, of course, be substantiated by the records of the office, although much circumstantial evidence and information given to the committee in confidence makes it appear that this may have been done.

The first essential in the efficient operation of the assessors' department is the selection of the proper type of persons for membership on that board. If the voters are careless and indifferent as to whom they elect, the taxpayers must suffer accordingly.

The second essential is for the members of the Board of Assessors to confine their activities in town affairs solely to the duties of their office as defined by statute and to keep free from political alliances and activities.

"Public office is a public trust" no less today than it ever has been and, unless the aspirant for political office realizes this

fact and the voter goes to the ballot box with that thought paramount in his mind, we will not secure that type of government that has made New England town government of the colonies a heritage to all peoples.

The committee concurs in the opinion of the commissioner that there has been some improvement in the operation of the assessors' office since the appointment of this investigating committee. To sustain this improvement, we believe the commissioner should be respectfully requested to make frequent examinations of the assessors' department and, to assist, we recommend that the committee be continued.

Our recommendation of the committee's continuance is made because the tax commissioner and his assistants have suggested that the committee be continued.

The Board of Assessors, as constituted in 1932, were Mr. Lewis J. Austin, Mr. Daniel B. Willis and John J. Mullen. Mr. Austin and Mr. Willis had been members for many years and Mr. Mullen was elected to the Board in March 1933, professing to have had much experience in assessing property. Mr. Washington L. Bryer succeeded Mr. Austin in 1933.

In view of the above premise, it is not to be presumed that the board in either year was ignorant of the statutes governing the duties of their office and we, therefore, charge the Board of Assessors "with allowing their personal thought to control their granting of abatements and allowing of exemptions and with not strictly confining themselves to the statutes."

The commissioner's review of the abatements granted and his comments thereon would seem to prove without any doubt that the Board of Assessors made many abatements contrary to the statutes and we, therefore, charge them with malfeasance, misfeasance, and nonfeasance in office and recommend that the findings of your committee thus far be referred to the District Attorney of Essex County by the town counsel, and that this report be considered as one of progress and the committee be continued in order that it may investigate other abatements and valuations.

Respectfully submitted,

(Signed) HARRY W. MERRILL, *Chairman*
ARTHUR D. HITCHINGS

(Signed) FRED C. SMITH

(Signed) LEWIS O. STOCKER

(Signed) HERBERT L. ROBINSON, *Secretary*

The following motion was offered by Chairman Harry W. Merrill:

Voted: To accept the Report of the Committee as a report of progress, to continue the Committee and to carry out the recommendations as contained in the last paragraph of the Committee's Report.

Frederick B. Willis was granted permission to discuss the Report as submitted also the foregoing motion. 9:26 P. M. to 10:31 P. M.

Voted: When adjournment of this meeting is ordered to convene again at the High School, Monday, February 26, 1934 at Eight o'clock.

John J. Mullen addressed the meeting. 10:31 P. M.

Mr. Mullen's time was extended at 10:40 P. M. until 10:50 P. M.

Frank F. Humphries addressed the meeting at this time. 10:50 P. M. to 10:57 P. M.

Harry Woodward addressed the meeting at 10:58 P. M. to 11:00 P. M.

The previous question was ordered.

The motion as presented by Chairman Harry W. Merrill was read by the Moderator.

The motion was lost. Yeas 45, Nays 56. 11:01 P. M.

Voted to adjourn. 11:02 P. M.

A true copy. Attest:

WALTER A. WILSON,

Town Clerk.

ADJOURNED ANNUAL TOWN MEETING

February 26, 1934

The meeting was called to order by the Town Clerk, at eight seven P. M.

A count of the Town Meeting Members was made. It was found that a quorum was not present.

A motion was made and voted for Mr. Henry A. B. Peckham to act as temporary Moderator.

Voted: To adjourn and convene again on Monday, March 12, 1934 at the High School Building. 8:09 P. M.

A true copy. Attest:

WALTER A. WILSON,

Town Clerk.

TOWN OF SAUGUS

ESSEX, SS

To W. Charles Sellick, Constable of the Town of Saugus:

GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Saugus, qualified to vote in Town Elections and Town Affairs to assemble in the High School Hall on Monday, March 12, 1934, at 8:15 O'clock, to hear and act on the following articles, viz:

ARTICLE 1. To see if the Town will vote to rescind the vote passed at the Annual Town Meeting held February 14, 1934, under Article 10 of the Warrant for said meeting appropriating \$13,000 for supplies and/or tools, and/or equipment, in connection with Civil Works projects; or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

ART. 2. To see if the Town will vote to appropriate the sum of \$27,000 for supplies, and/or tools, and/or equipment and/or telephone expenses to be used in connection with Civil Works projects carried on during 1934 for or by the Highway, Water,

or any other department or departments; or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

ART. 3. To see if the Town will vote to appropriate \$5,000 for snow and ice removal; or to see what action the town will take in the matter, agreeable to the petition of the Board of Selectmen.

ART. 4. To see if the Town will vote to appropriate \$350 for the purchase of an inner fireproof safe in the vault of the Town Clerk and Tax Collector; or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

You are directed to serve this Warrant by posting attested copies thereof at the usual places seven days, at least, before the time of holding said meeting.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, at the time and place of said meeting.

Given under our hands and Town Seal this twenty-seventh day of February, 1934.

HARRY WOODWARD,
GEORGE H. QUARMBY,
C. CARROLL CUNNINGHAM,
Board of Selectmen.

[SEAL]

Attest W. CHARLES SELICK,
Constable.

COMMONWEALTH OF MASSACHUSETTS

ESSEX, SS.

March 3, 1934

Pursuant hereunto I have served the within Warrant as directed by posting attested copies at the several precincts, at least seven days before said meeting according to the by-laws.

W. CHARLES SELICK,
Constable.

A true copy. Attest:

WALTER A. WILSON,
Town Clerk.

March 2, 1934.

In compliance with Chapter 55 of the Acts of 1928 and also with Section 2 of the by-laws of the Town of Saugus, I hereby certify that I personally mailed to all Limited Town Meeting Members, a printed copy of the warrant for the Special Town Meeting of March 12, 1934.

Signed

WALTER A. WILSON,
Town Clerk.

Health	4,500.00
Fire Department	150.00
Election and Registration	50.00

ARTICLE 26. Voted: To indefinitely postpone.

ARTICLE 27. Voted: That the Board of Selectmen be authorized on behalf of the Town for public playground purposes, accept as a gift from Walter J. Taylor, a parcel of land containing approximately 5,000 feet adjoining a portion of the southwesterly boundary of Stackpole field as shown on Assessor's plan 1028-Lot A-15, now owned by the Town, such conveyance to be subject to such restrictions or conditions relative to fencing the Southwesterly boundary of said Stackpole's Field playground including the parcel so conveyed to the Town, as may be set forth in the deed. Yeas 44, Nays 20. 11:00 P. M.

Voted: To take Article 16 from the table.

ARTICLE 16. Voted: That the sum of \$300.00 be and the same hereby is appropriated for the fencing of the southwestern boundary of Stackpole's Field, provided that certain land belonging to Walter J. Taylor as described in Art. 27 of Warrant is deeded to the Town without cost. 11:05 P. M.

ARTICLE 28. In compliance with Chapter 269 of the Acts of 1933 the Planning Board held a public hearing, issued a final report and recommended the passage of the following voted motion under this Article.

Voted: That the zoning by-law be and the same is hereby amended by striking out Section 22 thereof and inserting in place thereof the following:

"Sec. 22. BOARD OF APPEALS. A board of Appeals consisting of three members to be appointed by the Selectmen is hereby established. The members of said board originally appointed shall hold office for terms severally expiring

in the years 1935, 1936, and 1937 on the day following the annual election of town officers at the annual town meetings to be held in such years and at the time of original appointment, the Selectmen shall designate the respective term of each appointee. Upon the expiration of the term of office of any such member the Selectmen shall appoint a member to hold office for a term expiring on the day following the annual election of town officers at the annual town meeting to be held in the third year succeeding the year in which such appointment is made. The Selectmen shall also appoint three associate members of such board in like manner and for like terms. Such board of Appeals shall have and may exercise all the rights, powers, duties and privileges granted to boards of appeal in Section 30 of Chapter 40 of the General Laws as now or hereafter amended and such other rights, powers, duties and privileges as may now or hereafter be granted to the board of appeals under this zoning by-law or under any other by-law of the town or any other provisions of law applicable to boards of zoning appeals."

100 Yeas, 0 Nays. 11:10 P. M.

ARTICLE 29. Voted: to indefinitely postpone.

ARTICLE 30. Voted: To indefinitely postpone.

ARTICLE 31. Voted: That the Treasurer, with the approval of the Selectmen be and he is hereby authorized to refund any notes of the Town issued for a shorter period than one year in anticipation of the revenue of the financial year 1933 by the issue of other notes maturing not later than one year from the date of the original note or notes so refunded. Yeas 99, Nays 0. 11:16 P. M.

ARTICLE 32. Voted: That the Treasurer, with the approval of the Selectmen and with the approval of the Board specified in Clause 9 of Section 8 of Chapter 44 of the General Laws, be and he is hereby authorized to extend for a period or periods not exceeding in the aggregate six months beyond the maximum term provided by law for an original revenue loan, any loan issued in anticipation of the revenue of the year 1933 and with such approval to issue renewal notes for the period or periods so approved. 87 Yeas, Nays 0. 11:18 P. M.

Voted: To adjourn at 11:20. Yeas 80, Nays 0.

A true copy. Attest:

WALTER A. WILSON,
Town Clerk.

March 27, 1934.

To Walter A. Wilson,
Town Clerk,
Saugus, Mass.

DEAR SIR:

This is to certify that I have personally delivered to every occupied dwelling or apartment in the Town of Saugus a true printed copy of the Building Ordinances of the Town of Saugus adopted by the Limited Town Meeting of October 24, 1933 and approved by the Attorney General on December 12, 1933.

Signed: W. CHARLES SELICK.
Town Constable.

March 27, 1934.

The above W. Charles Sellick personally appeared before me and swore the above statement to be correct.

Signed: RUTH E. GATCHELL,
Notary Public.

March 27, 1934.

I hereby certify that I have complied with the provisions of Chapter 185 of the Acts of 1933 and further certify that the above mentioned Building Ordinances are now in effect at this date.

Signed: WALTER A. WILSON,
Town Clerk.

A true copy. Attest:

WALTER A. WILSON,
Town Clerk.

THE COMMONWEALTH OF MASSACHUSETTS

TOWN OF SAUGUS

ESSEX, SS

To W. Charles Sellick, Constable of the Town of Saugus:

GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Saugus qualified to vote in Town Elections and Town affairs to assemble in the Town Hall, on Monday Evening, July 23, Nineteen Hundred and Thirty-four, at Eight o'clock to hear and act on the following articles, viz:

ARTICLE 1. To hear and act on reports of Committees.

ART. 2. To see if the Town will vote to appropriate the sum of \$10,000 for supplies, and/or tools, and/or equipment, and/or doctor's bills and/or suits, to be used in connection with ERA projects to be carried on during 1934 by the highway, water, or any other department or departments; or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

ART. 3. To see if the Town will vote to accept Aberdeen Avenue in accordance with a report of Selectmen and plan on file in the office of the Town Clerk; or to see what action the Town will take in the matter.

ART. 4. To see if the Town will appropriate the sum of \$15,000 for Public Welfare and Old Age Assistance, or to see what action the Town will take in the matter. Board of Public Welfare.

ART. 5. To see if the Town will appropriate the sum of \$15,685.12 for unpaid bills of the various departments for 1933 as follows:

Soldiers' Relief	\$6000.00
Public Welfare	9000.00
Library	245.63
Town Hall	116.11
Town Clerk	220.65
Assessors	73.33
Board of Appeals	2.45

Election and Registration	20.00
Selectmen	2.45
Treasurer	4.50

or to see what action the Town will take in the matter. Town Accountant.

ART. 6. To see if the Town will appropriate the sum of \$13.86 to pay for damages done to house of one Misk, 337 Essex Street by water thawing apparatus; or to see what action the Town will take in the matter. Town Accountant.

ART. 7. To see if the Town will vote to appropriate the sum of \$2,000.00 for Tax Titles; or to see what action the Town will take in the matter, agreeable to the petition of the Tax Collector.

ART. 8. To see if the Town will vote to appropriate the sum of \$700.00 for the purpose of purchasing a new car for the Chief of Fire Department; or to see what action the Town will take in the matter, agreeable to the petition of the Board of Fire Engineers.

ART. 9. To see if the Town will appropriate the sum of \$625.63 for unpaid bills for lighting the Boston-Salem Turnpike from December 1, 1931 to March 1, 1933, due the Commonwealth of Massachusetts under Chapter 447, Acts of 1931; or to see what action the Town will take in the matter. Town Accountant.

ART. 10. To see if the Town will appropriate the sum of \$1,000 for the purpose of cleaning out the brook which runs from Central Street near the Felton School to Vine Street, and from thence to Highland Avenue, and from thence to Central Street, near the High School, for its entire length, as above described; or to see what action the Town will take in the matter, agreeable to the petition of Edward Gibbs, Jr., and others.

ART. 11. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money for general municipal purposes under authority of and in accordance with the provisions of Chapter 49 of the Acts of 1933; or take any action relative thereto, agreeable to the petition of the Town Treasurer and the Board of Selectmen.

ART. 12. To see if the Town will vote to amend the Zoning By-Law by striking out Section 24 thereof; or to see what action the town will take in the matter, agreeable to the petition of Town Counsel.

ART. 13. To see if the Town will vote to instruct the Selectmen that all streets hereafter be laid out by the Selectmen for acceptance be laid out under the provisions of the Statutes relative to the assessments of betterment; or to see what action the Town will take in the matter, agreeable to the petition of Harry W. Merrill and others.

ART. 14. To see if the Town will vote to appropriate \$3,900 for the water maintenance account, or to see what action the Town will take in the matter.

ART. 15. To see if the Town will vote to appropriate \$1,000 for the expenses of the Town Infirmary, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Public Welfare.

ART. 16. To see if the Town will vote to appropriate the sum of \$500 for the expenses of the Police Department in connection with the investigation of applicants for work under the ERA, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

ART. 17. To see if the Town will vote to appropriate the sum of \$2,000 for the construction of a road from Springdale Avenue to Grandview Avenue, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

ART. 18. To see if the Town will vote to amend the Zoning By-Law by inserting therein a new section following Section 17, to be known as Section 17-A, as follows:

The removal for sale of sod, loam, sand, gravel, or stone from single or general residence districts shall be deemed non-conforming use of premises. Such uses shall be permitted only after special permission of the Selectmen, as provided in Section 17, and under such conditions as the Selectmen shall impose. The Selectmen shall grant no such permit as would, in their opinion, adversely affect

the scheme of growth laid down in the Zoning By-Law or elsewhere, or the economic status of the Town, or tend to impair the beauty of the Town or of the district most immediately affected, or develop health or other hazards. Conditions deemed by the Selectmen as tending to protect the Town and the district, shall be imposed where needed and made a part of the permit;

or to see what action the Town will take in the matter, agreeable to the petition of the Planning Board.

ART. 19. To see if the Town will vote to authorize the Selectmen to accept a conveyance from Lillian Shores of land at the southwesterly corner of Twin Spring Road and Hesper Street, containing approximately 2044 square feet, for highway purposes; or to see what action the Town will take in the matter, agreeable to the petition of the Town Counsel.

ART. 20. To see if the Town will vote to appropriate the sum of \$1,700 for the purpose of constructing a surface drainage system on Stanton Street, a distance of 500 feet with manholes and catch-basins, or to see what action the Town will take in the matter, agreeable to the petition of Mrs. Sonia Brostrom and others.

ART. 21. To see if the Town will vote to appropriate the sum of \$400 for the use of the Engineering Department in replotting land in the Golden Hills section of Saugus as a result of the transfer by the General Court of a part of this land with the buildings thereon to the Town of Wakefield, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

ART. 22. To see if the Town will vote to appropriate the sum of \$2500 for work on Main and Howard Streets, to be used in conjunction with an award of a like sum from the County of Essex and the sum of \$5000 from the State Department of Public Works, or to see what action the Town will take in the matter, agreeable to the petition of the Board of Selectmen.

And you are hereby directed to serve this warrant by posting attested copies thereof at the usual places seven days, at least, before the time of holding said meeting.

Hereof, fail not, and make due return of this warrant, with your doings thereon, to the Town Clerk, at the time and place of said meeting.

Given under our hands and Town Seal this ninth day of July, A. D. nineteen hundred and thirty-four.

HARRY WOODWARD,
GEORGE H. QUARMBY,
C. CARROLL CUNNINGHAM,
Board of Selectmen.

Pursuant hereunto I have served the within Warrant as directed by posting attested copies at the several precincts at least seven days before said meeting according to the by-laws.

W. CHARLES SELICK,
Constable, Town of Saugus.

A true copy. Attest:

WALTER A. WILSON,
Town Clerk.

July 16, 1934.

In compliance with Chapter 55 of the Acts of 1928 and also with Section 2 of the by-laws of the Town of Saugus, I hereby certify that today I personally mailed to all Limited Town Meeting Members, a printed copy of the Warrant for the Special Town Meeting of July 23, 1934.

Signed: WALTER A. WILSON,
Town Clerk.

SPECIAL TOWN MEETING

July 23, 1934.

The meeting was called to order by the Moderator, Hon. Frank P. Bennett at 8:30 P. M.

The salute to the flag was given.

The following tellers were appointed and duly sworn:

ERNEST HOMAN

FRANK REPPUCCI

BENJAMIN RAMSDELL

GEORGE MASON

ARTICLE 1. No committee reports were offered.

ARTICLE 2. Voted: That the sum of \$10,000 be and the same hereby is appropriated for supplies, including materials, and/or tools, and/or equipment, to be used in connection with E. R.A. projects to be carried on during 1934 by the Highway, Water, or any other Department or Departments, the same to be expended under the direction of the Board of Selectmen. 8:43 P. M.

ARTICLE 3. The Moderator ruled that no action could be taken under this article and postponed it without prejudice.

ARTICLE 4. Voted: That the sum of \$10,000 be, and the same hereby is appropriated for Public Welfare including Old Age Assistance. 8:45 P. M.

ARTICLE 5. Voted: That the sum of \$15,685.12 be and the same hereby is appropriated for unpaid bills of various departments for 1933 as follows:

Soldiers Relief	\$6000.00
Public Welfare	9000.00
Library	245.63
Town Hall	116.11
Town Clerk	220.65
Assessors	73.33
Board of Appeals	2.45
Election and Registration	20.00
Selectmen	2.45
Treasurer	4.50

8:54 P. M.

ARTICLE 6. Voted: That this matter be referred to the Law Department.

ARTICLE 7. Voted: That the sum of \$2,000 be and the same hereby is appropriated for Tax Title Expenses. 8:55 P. M.

ARTICLE 8. Voted: To indefinitely postpone.

ARTICLE 9. Voted: That the sum of \$625.63 be and the same hereby is appropriated for unpaid bills for lighting the Boston-Salem Turnpike from December 1, 1931 to March 1, 1933, due the Commonwealth of Massachusetts under Chapter 447, Acts of 1931; and that the Board of Selectmen be instructed to take steps possible to discontinue lighting this highway. 8:57 P. M.

ARTICLE 10. Voted: to indefinitely postpone.

ARTICLE 11. Voted: That the Treasurer, with the approval of the Selectmen, be and he hereby is authorized to borrow for general municipal purposes the sum of \$100,000 but in no event a sum in excess of the amount of tax titles taken or held by the Town, and to issue a note or notes of the Town therefor, all in accordance with the provisions of Chapter 49 of the Acts of 1933. The said sum of \$100,000 is hereby appropriated to meet outstanding revenue loans of 1934. Yeas 111, Nays 0. 9:01 P. M.

ARTICLE 12. The Planning Board submitted an oral report of approval after duly advertising and holding a public hearing relative to this article, which was unanimously adopted.

Voted: That the Zoning By-Law be and the same is hereby amended by striking out section 24 thereof. 9:17 P. M.

ARTICLE 13. Voted: to indefinitely postpone. Yeas 93, Nays 4. 9:18 P. M.

ARTICLE 14. Voted: That the sum of \$3,900 be and the same hereby is appropriated for the Water Maintenance Account. 9:25 P. M.

ARTICLE 15. Voted: That the sum of \$500. be and the same hereby is appropriated for the expenses of the Town Infirmary. 9:26 P. M.

ARTICLE 16. Voted: That the sum of \$500. be and the same hereby is appropriated for the expenses of the Police Depart-

ment, the same to be used in connection with investigation of applicants for work under the E.R.A. 9:27 P. M.

ARTICLE 17. Voted: That the sum of \$2000.00 be and it hereby is appropriated for the construction of a road from Springdale Avenue to Grandview Avenue, as laid out by the Selectmen and accepted at the annual town meeting of 1934. Yeas 56, Nays 26. 9:32 P. M.

ARTICLE 18. The Planning Board submitted an oral report of approval after duly advertising and holding a public hearing relative to this article, which was unanimously adopted.

Voted: That the Zoning by-law be amended by inserting therein a new section following Section 17, to be known as Section 17-A, as follows:

The removal for sale of sod, loam, sand, gravel, or stone from single or general residence districts shall be deemed non-conforming use of premises. Such uses shall be permitted only after special permission of the Selectmen, as provided in Section 17, and under such conditions as the Selectmen shall impose. The Selectmen shall grant no such permit as would, in their opinion, adversely affect the scheme of growth laid down in the Zoning By-Law or elsewhere, or the economic status of the Town, or tend to impair the beauty of the Town or of the district most immediately affected, or develop health or other hazards. Conditions deemed by the Selectmen as tending to protect the Town and the district, shall be imposed where needed and made a part of the permit.

Yeas 102, Nays 0. 9:37 P. M.

ARTICLE 19. Voted: That the Selectmen be and they are hereby authorized to accept on behalf of the town a conveyance from Lillian Shores of land on the southwesterly corner of Twin Spring Road and Hesper Street, containing approximately 2044 square feet for highway purposes. Yeas 101, Nays 0. 9:38 P. M.

ARTICLE 20. Voted: That the sum of \$300. be and the same hereby is appropriated for drainage work on Stanton Street, provided that all proper easements and releases are obtained

from all persons affected, before any money is expended.
9:42 P. M.

ARTICLE 21. Voted: That the sum of \$400 be and the same hereby is appropriated for the use of the Engineering Division of the Public Works Department in replotting land in the Golden Hills section of Saugus. 9:43 P. M.

ARTICLE 22. Voted: That the sum of \$2500 be and the same hereby is appropriated for work on Main & Howard Streets, provided that the sum of \$2500 is supplied by the County of Essex and that the sum of \$5000 is supplied by the State Department of Public Works to be used in conjunction with this appropriation. 9:45 P. M.

The business of the meeting being completed it was voted to adjourn at 9:46 P. M.

A true copy. Attest:

WALTER A WILSON,

Town Clerk.

TOWN OF SAUGUS

ESSEX, SS.

To W. Charles Sellick, Constable of the Town of Saugus:

GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Saugus qualified to vote in Town Elections and Town affairs to assemble in the Town Hall on Monday Evening, August 20, Nineteen Hundred and Thirty-four, at Eight o'clock to hear and act on the following articles, viz:

ARTICLE 1. To hear and act on reports of Committees.

ART. 2. To see if the Town will vote to authorize the Treasurer, with the approval of the Selectmen, to borrow money for general municipal purposes under authority of and in accordance with the provisions of Chapter 49 of the Acts of 1933; or take any action relative thereto, agreeable to the petition of the Town Treasurer and the Board of Selectmen.

ART. 3. To see if the Town will vote to appropriate the sum of \$178.00 for the purpose of providing and installing a fire alarm box at the corner of Aberdeen and Basswood Avenues, or to see what action the Town will take in the matter. Board of Fire Engineers.

ART. 4. To see if the Town will vote to appropriate the sum of \$160.00 for unpaid bills of the Fire Department for 1933. Board of Fire Engineers.

ART. 5. To see if the Town will vote to appropriate the sum of \$200.00 for expenses of Forest Fire Warden's Department. Forest Fire Warden.

ART. 6. To see if the Town will vote to appropriate the sum of \$250.00 for expenses of the Fire Department Alarm System, or to see what action the Town will take in the matter, agreeable to the petition of the Superintendent of Fire Alarms.

ART. 7 . To see if the Town will vote to amend the Zoning By-Law by inserting after the word "playgrounds" in subparagraph 5 of Section 4 thereof the words "municipal fire and/or police station buildings," or to see what action the Town will take in the matter.

ART. 8. To see if the Town will vote to amend Section 16 of the Zoning By-Law of the Town of Saugus by striking out the same and inserting in place therefor the following:

SECTION 16. Automobile Services and Fuel Oil Stations.

(a) No portion of the front or side lines of a public garage, automobile repair shop, greasing station, storage battery service station, or gasoline filling station, or any of their appurtenances or accessory uses, shall hereafter be placed within fifty feet of any residence district. No driveway to such premises shall be in any part within fifty feet of any residential district. No such premises shall have any driveway entrance or exit for motor vehicles within three hundred feet of the property used by any public or private school, public library, church, playground, or institution for the sick or dependent, or for children under sixteen years of age. Every filling station shall hereafter be located not less than fifteen

feet inside the building line and no filling shall be done except into cars standing on the property of the filling station.

(b) No tank or container for the storage of fuel oil or gasoline of a capacity greater than two hundred seventy-five gallons shall be constructed or maintained above ground within three hundred feet of any dwelling or within three hundred feet of the property used by any public or private school, public library, church, playground or institution for the sick or dependent, or for children under sixteen years of age, nor shall any such tank or container be constructed or maintained within one hundred feet of a way used by the public for travel, or to see what action the Town will take, agreeable to the petition of Laurence F. Davis and others.

ART. 9. To see if the Town will vote to amend the Zoning Map and the Zoning By-Law so that the premises on Broadway shown as Lot A-24 on Assessors' Plan 1039 will be zoned for business, or to see what action the Town will take in the matter, agreeable to the petition of Earl E. Bentley and others.

ART. 10. To see if the Town will vote to amend the Zoning Map and the Zoning By-Law so that the premises on both sides of Broadway from Walnut Street to the Saugus-Lynnfield line will be zoned for business to a depth of 100 feet, or to see what action the Town will take in the matter, agreeable to the petition of Earl E. Bentley and others.

And you are hereby directed to serve this warrant by posting attested copies thereof at the usual places seven days, at least, before the time of holding said meeting.

Hereof, fail not, and make due return of this warrant, with your doings thereon, to the Town Clerk, at the time and place of said meeting.

Given under our hands and Town Seal this eighth day of August, A. D. nineteen hundred and thirty-four.

HARRY WOODWARD,
GEORGE H. QUARMBY,
C. CARROLL CUNNINGHAM,
Board of Selectmen.

Signed: WALTER A. WILSON,
Town Clerk.

SPECIAL TOWN MEETING

August 20, 1934.

The Town Clerk, Walter A. Wilson, called the meeting to order at 8:30 P. M.

The Moderator Frank P. Bennett was absent.

C. F. Nelson Pratt was unanimously elected by the meeting as Moderator, pro tempore.

The salute to the flag was given.

The reading of the records of the previous meeting was waived.

The following tellers were appointed and duly sworn by the Moderator :

KALER PERKINS,
WASHINGTON BRYER,

SAMUEL PHINNEY,
PETER AINSLIE

A quorum was counted.

The reading of the Warrant was waived.

ARTICLE 1. The Finance Committee Report was received and placed on file subject to the action of the Town Meeting.

Report of the Finance Committee

For Special Town Meeting of Monday, August 20, 1934

- ARTICLE 2. Approved
- ARTICLE 3. Recommend \$178.00
- ARTICLE 4. Recommend 160.00
- ARTICLE 5. Recommend 150.00
- ARTICLE 6. Recommend indefinite postponement.

EDWARD GIBBS, JR., *Chairman,*
BERTRAND D. WESTENDARP, *Secretary,*
LAURENCE F. DAVIS,
CHARLES E. STILLINGS,
CHARLES T. ANDERSON,
ROBERT J. MAHER,
FREDERICK J. ENGLAND,
LEWIS O. STOCKER,
Finance Committee.

ARTICLE 2. Voted: That the Treasurer, with the approval of the Selectmen, be and he hereby is authorized to borrow for general maintenance expenses of the Town the sum of \$100,000.00, but in no event a sum in excess of the amount of tax titles taken or held by the town, and to issue a note or notes of the town therefor, all in accordance with the provisions of Chapter 49 of the Acts of 1933. The said sum is hereby appropriated for the use of the Assessors in fixing the tax rate to meet the general expenses of the Town. Yeas 120, Nays 0. 9:10 P. M.

ARTICLE 3. Voted: That the sum of \$178.00 be and the same is hereby appropriated for the purpose of installing a fire alarm box at the corner of Aberdeen and Basswood Avenues. 9:12 P. M.

ARTICLE 4. Voted: That the sum of \$160.00 be and the same is hereby appropriated for unpaid bills of the Fire Department for 1933. 9:15 P. M.

ARTICLE 5. Voted: That the sum of \$150.00 be and the same is hereby appropriated for expense of the Forest Fire Warden's Dept. 9:16 P. M.

ARTICLE 6. Voted To indefinitely postpone. Yeas 82, Nays 6. 9:24 P. M.

At this time William Rockhill was granted unanimous consent to offer a resolution by the meeting.

Whereas, Irving E. Campbell came to this Town of Saugus in his early youth, received his education in our public schools and graduated from the Saugus High School with the Class of 1913, and

Whereas, during his school career he displayed and developed those sterling qualities of American manhood which guided him to success in business here and

Whereas, he was among the men of Saugus who responded to the service of the United States of America in the World War, receiving in foreign service wounds which broke him down in health and on August 11th, 1934, caused his decease,

Now, Therefore, Be It Resolved, by the voters of the Town of Saugus, in Town Meeting assembled this 20th day of August, 1934, that the life of Irving E. Campbell be commemorated in our records, and

Further, that we extend to his widow and children our sincere expressions of sympathy and understanding in their great sorrow, and

Further, that these resolutions be spread upon our records and that a copy of hereof, suitably inscribed, be sent his widow by the Town Clerk. Yeas 123 unanimously. 9:26 P. M.

ARTICLE 7. The Planning Board at this time submitted the following report:

The Planning Board, after due advertisement in the Saugus Herald, issue of August 10, 1934, held a public hearing on Article 7 in the Planning Board Room at the Town Hall, August 17, 1934 at 7:30 P. M. Said Article from the Town Warrant of August 20, 1934. After hearing the evidence for and against Article 7 the Board voted unanimously to recommend the passage of said Article, in this it's final report.

ALVAH L. RICH, *Secretary.*

Voted: To amend the Zoning By-Law by inserting after the word "playgrounds" in sub-paragraph 5 of Section 4 thereof the words "municipal fire and/or police station buildings." Yeas 112, Nays 0. 9:30 P. M.

ARTICLE 8. Voted To indefinitely postpone.

Voted: To adjourn without date. Yeas 110, Nays 5.

A true copy, Attest:

WALTER A. WILSON,
Town Clerk.

TOWN OF SAUGUS

ESSEX, SS

To W. Charles Sellick, Constable of the Town of Saugus:

GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby ordered to notify and warn the inhabitants of the Town of Saugus qualified to vote in Town Elections and Town Affairs to assemble in the Town Hall, Thursday evening, November 1st, Nineteen Hundred and Thirty-four, at eight o'clock P. M. to hear and act on the following articles, viz:

ARTICLE 1. To hear and act on the reports of committees.

ARTICLE 2. To see if the town will vote to raise and appropriate an additional sum not exceeding \$25,000 for the construction and original equipment and furnishings of a Fire and Police Station Building originally authorized by a vote passed on December 18, 1933 under Article 4 of the warrant for a Special Town Meeting called for December 14, 1933, and to provide such sum by borrowing or otherwise or take any action relative thereto. Board of Selectmen.

ARTICLE 3. To see if the town will authorize the application of any moneys granted to the town by the Federal Government under the National Industrial Recovery Act for or in connection with the construction of a Fire and Police Station Building to the construction costs and/or to the payment of any part of the indebtedness authorized to be incurred for such purpose, or take any action relative thereto. Board of Selectmen.

ARTICLE 4. To see if the town will vote to transfer \$275.00 from the Public Works Department to the Removal of Ashes Department, agreeable to the petition of the Board of Selectmen.

ARTICLE 5. To see if the town will vote to transfer \$150.00 from the Water Meter Account to the Water Maintenance Account, agreeable to the petition of the Board of Selectmen.

ARTICLE 6. To see if the town will vote to transfer \$125.00 from the Hydrants Account to the Water Maintenance Account agreeable to the petition of the Board of Selectmen.

ARTICLE 7. To see if the Town will vote to transfer \$250.00 from the Water Extension Account to the Snow and Ice Removal Account.

And you are hereby directed to serve this Warrant by posting attested copies thereof at the usual places seven days, at least, before the time of holding said meeting.

Hereof, fail not, and make due return of the Warrant, with your doings thereon, to the Town Clerk, at the time and place of said meeting.

Given under our hand and Town Seal this twenty-third day of October, A.D., nineteen hundred and thirty-four.

HARRY WOODWARD,
GEORGE H. QUARMBY,
C. CARROLL CUNNINGHAM,
Board of Selectmen.

A true copy. Attest:

W. CHARLES SELICK,
Constable.

October 23, 1934

ESSEX, SS.

Pursuant hereunto I have served the within Warrant as directed by posting attested copies at the several precincts at least seven days before said meeting according to the By-Laws.

W. CHARLES SELICK,
Constable.

A true copy. Attest:

WALTER A. WILSON,
Town Clerk.

October 23, 1934

In compliance with Chapter 55 of the Acts of 1928 and also with section 2 of the by-laws of the Town of Saugus, I hereby certify that I personally mailed to all Limited Town Meeting

Members, a printed copy of the warrant for the Special Town Meeting of November 1, 1934.

Signed: WALTER A. WILSON,
Town Clerk.

SPECIAL TOWN MEETING

November 1, 1934

The meeting was called to order by the Moderator, Frank P. Bennett, Jr. at 8:25 P. M.

The salute to the flag was given.

The reading of the warrant was waived by unanimous consent.

ARTICLE 1. The Finance Committee Report was at this time presented.

Finance Committee Report

For Special Town Meeting of Thursday, November 1, 1934

ARTICLE 2. Recommend \$25,000.00

ARTICLE 3. Recommend adoption.

ARTICLE 4. Recommend.

ARTICLE 5. Recommend.

ARTICLE 6. Recommend.

ARTICLE 7. Recommend.

ERWARD GIBBS, JR., *Chairman,*
BERTRAND D. WESTENDARP, *Secretary,*
LAURENCE F. DAVIS,
CHARLES E. STILLINGS,
CHARLES T. ANDERSON,
ROBERT J. MAHER,
FREDERICK J. ENGLAND,
LEWIS O. STOCKER,
Finance Committee.

The following tellers were appointed and duly sworn:

Walter Dyer
Howard Heath

Arthur Raddin
Ernest Tarbox

ARTICLE 2. Voted: That there be raised and appropriated the sum of \$25,000.00 for the construction and original equipment of a fire and police station building originally authorized by a vote passed on December 18, 1933 under Article 4 of warrant for a Special Town Meeting called for December 14, 1933, such sum being in addition to the sum of \$65,000.00 appropriated under said vote for said purpose, and that the Treasurer with the approval of the Selectmen, be authorized to borrow said sum of \$25,000.00 and to issue bonds or notes of the town therefor, said bonds or notes to be payable in accordance with the National Industrial Recovery Act and, insofar as not inconsistent with said Act, in accordance with Chapter 366 of the Acts of 1933 as amended and Chapter 44 of the General Laws as amended. The whole loan shall be paid in not more than twenty years or at such period as may be determined by the Emergency Finance Board referred to in said Chapter 366 of the Acts of 1933. And the Selectmen and their successors in office shall have and are hereby granted full powers to act in all matters relating to such construction and original equipment and furnishings. Yeas 115, Nays 0. 8:50 P. M.

ARTICLE 3. Voted: That the town does hereby authorize the application of any moneys granted to the town by the Federal Government under the National Industrial Recovery Act for or in connection with the project of the construction of a fire and police station building either to the construction costs or to the payment of any part of the indebtedness authorized in connection with such project, in which latter case the amount which may be borrowed under the vote of the town passed on December 18, 1933 shall be increased accordingly, provided that the total amount which may be borrowed under said vote shall not be in excess of \$65,000.00. Yeas 109, Nays 0. 8:51 P. M.

ARTICLE 4. Voted: That the sum of \$275.00 be transferred from the Public Works Account to the Removal of Ashes Account. 8:53 P. M.

ARTICLE 5. Voted: That the sum of \$150.00 be transferred from the Water Meter Account to the Water Maintenance Account. 8:58 P. M.

ARTICLE 6. Voted: That the sum of \$125.00 be transferred

from the Hydrants Account to the Water Maintenance Account. 8:59 P. M.

ARTICLE 7. Voted: That the sum of \$250.00 be transferred from the Water Extension Account to the Snow and Ice Removal Account. 9:00 P. M.

The business of the meeting having been completed, the meeting adjourned at 9:00 P. M.

A true copy. Attest:

WALTER A. WILSON,
Town Clerk.

TOWN OF SAUGUS

COMMONWEALTH OF MASSACHUSETTS

ESSEX, SS.

To W. Charles Sellick, Constable of the Town of Saugus:

GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of said town who are qualified to vote in State elections to meet in the several voting precincts of the Town on Tuesday, the Sixth Day of November, 1934 at 12 o'clock noon, for the following purposes:

To bring in their votes to the election officers for the Election of Candidates for the following offices:

Governor.

Lieutenant Governor.

Secretary.

Treasurer.

Auditor.

Attorney General.

Senator in Congress

Representative in Congress

Councillor.

Senator.

Representatives in General Court (3).

District Attorney.

Clerk of Courts.

Register of Deeds.

County Commissioner.

Associate County Commissioners (2)

Register of Probate and Insolvency (1), to fill vacancy.

Also mark your "Yes" and "No" to the following questions:

QUESTION No. 1

LAW SUBMITTED UPON REFERENDUM PETITION

Shall a law described as follows:

This law amends General Laws, Chapter 131, as previously amended, by repealing Section 105A thereof and adding there- to three new Sections, 105B, 105C, and 114A.

Section 105B provides that whoever uses any trap or other device for capture of fur-bearing animals, which is not designed to kill such animal at once or to take it unhurt and which is likely to cause continued suffering to an animal caught therein, shall be fined fifty dollars, but traps or other devices for protection of property, set not more than fifty yards from any building, cultivated plot, or enclosures used for rearing poultry or game birds, to the use of which the presence of vermin may be detrimental, are excluded from the application of this section.

Section 105C provides for the submission to the voters at a municipal election in any city or town upon petition, of the question of whether the operation of Section 105B shall be suspended or if it has been already suspended, of the question whether it shall again be operative in such city or town.

Section 114A provides that the Commissioner of Conserva- tion may suspend the operation of Section 105B for a period not exceeding thirty days within any specified territory under the control of his department.

The law also provides for the submission, by the Selectmen to the voters at a special town meeting in the current year, upon petition, of the question as to whether the provisions of Section 105B shall be suspended in any town; and which was approved by both branches of the Gen- eral Court by vote not recorded, be approved?

YES	
NO	

QUESTION No. 2

To obtain a full expression of opinion, voters should vote on both of the following questions:

(a) If a voter desires to permit the sale of any and all alcoholic beverages in this city (or town) he will vote "Yes" on both questions:

(b) If he desires to permit the sale of wines and malt beverages only herein, he will vote "No" on Question 1 and "Yes" on Question 2.

(c) If he desires to prohibit the sale of any and all alcoholic beverages herein, he will vote "No" on both questions.

1. Shall licenses be granted in this city (or town) for the sale therein of all alcoholic beverages (whisky, rum, gin, malt beverages, wines and all other alcoholic beverages)?

YES	
NO	

2. Shall licenses be granted in this city (or town) for the sale therein of wines and malt beverages (wines, and beer, ale and all other malt beverages)?

YES	
NO	

QUESTION No. 3

1. Shall the pari-mutuel system of betting on licensed horse races be permitted in this county?

YES	
NO	

2. Shall the pari-mutuel system of betting on licensed dog races be permitted in this county?

YES	
NO	

All of the above candidates and officers are to be voted for upon one ballot.

The polls will be open from 12 o'clock noon to 8 P. M.

And you are directed to serve this warrant by posting attested copies thereof seven days at least before the time of said meeting as directed by vote of the town.

Hereof fail not and make due return of this warrant with your doings thereon at the time and place of said meeting.

Given under our hands and the Town Seal this Seventeenth day of October, 1934, A.D.

HARRY WOODWARD,
GEORGE H. QUARMBY,
C. CARROLL CUNNINGHAM,
Selectmen of Saugus.

TOWN OF SAUGUS

ESSEX, SS.

To W. Charles Sellick, Constable of the Town of Saugus:

GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Saugus qualified to vote in Town Elections and Town Affairs to assemble in the Town Hall on Tuesday Evening, December 4, A.D. Nineteen hundred and Thirty-four at eight o'clock P. M. to hear and act on the following articles, viz:

ARTICLE 1. To hear and act on reports of committees.

ARTICLE 2. To see if the town will vote to appropriate the sum of \$1000. for materials, equipment, supplies and expenses of various E.R.A. projects, such sum to be transferred from the unexpended balance of the Public Welfare unpaid bills of 1933 and prior years account to the E.R.A. account or to see what action will be taken in the matter. Board of Selectmen.

ARTICLE 3. To see if the town will appropriate the sum of \$180.00 for the town clerk's account. The said sum to be transferred from the town clerk's unpaid bills of 1933 and prior years account to the town clerk's account. Town Accountant.

ARTICLE 4. To see if the town will appropriate the sums of the various accounts below: Memorial Day, \$4.75; Printing and Distributing Town Reports, \$52.80; Snow and Ice, \$47.05; Total, \$104.60. Such sum to be transferred from the Public Welfare unpaid bills account of 1933 and prior years, or to see what action the town will take in the matter. Town Accountant.

ARTICLE 5. To see if the town will appropriate the sum of \$700.00 for the Assessors Department, such sum to be transferred from the unexpended balance from the Public Welfare unpaid bills of 1933 and prior years to the Assessors Department or to see what action the town will take in the matter. Board of Assessors.

ARTICLE 6. To see if the town will appropriate the sum of \$300.00 for the town hall department, the said sum to be transferred from the Public Welfare unpaid bills of 1933 and prior years to the town hall department, or to see what action the town will take in the matter.

ARTICLE 7. To see if the town will appropriate the sum of \$200.00 for the Accountant's Department for bookkeeping services in connection with P.W.A. projects, said sum to be transferred from the Soldiers Relief unpaid bills of 1933 to the Accountant's Department, or to see what action the town will take in the matter. Town Accountant.

ARTICLE 8. To see if the town will vote to appropriate the sum of \$9000 for the Department of Public Welfare and the sum of \$3000 for Soldiers Relief or to see what action the town will take in the matter.

ARTICLE 9. To see if the town will vote to authorize the treasurer, with the approval of the selectmen, to borrow under authority and in accordance with the provisions of Chapter 307 of the Acts of 1933 as amended by Chapter 335 of the Acts of 1934, or take any action relative thereto.

And you are hereby directed to serve this Warrant by posting attested copies thereof at the usual places seven days at least, before the time of holding said meeting.

Hereof, fail not, and make due return of this Warrant, with your doings thereon, to the Town Clerk, at the time and place of said meeting.

Given under our hands and Town Seal this twenty-second day of November, A.D. Nineteen hundred and Thirty-Four.

HARRY WOODWARD,
GEORGE H. QUARMBY,
C. CARROLL CUNNINGHAM,
Board of Selectmen.

Report of the Board of Assessors

To the Citizens of the Town of Saugus:

At the outset of our work the past year we realized that we are living in a terrible depression and because of the financial condition of our taxpayers it was necessary to reduce our tax rate again. And with this in mind we went to work in an attempt to reach such values that would bring this result about.

It was with considerable pleasure that we found that we were able to once again announce another reduction.

We feel justly proud of our record for the past three years during which time the rate has steadily decreased.

The rates for the past four years are as follows:

1931	\$40.90
1932	34.85
1933	30.00
1934	29.80

ASSESSORS' DEPARTMENT

Number of polls assessed	4,787

In Memoriam

GEORGE HENRY AMES

1901—1934

Board of Public Welfare

The members of the Board of Public Welfare and the citizens of Saugus remember with gratitude the able, sincere, and valuable service rendered the town by the late George H. Ames, Chairman of the Board of Public Welfare, and wish to dedicate this space in the Annual Town Report of this year to honour his life and work in the town and preserve his memory.

Mr. Ames was born in Saugus, October 5, 1858 and lived in this town practically all his life.

He was first elected to the Board of Public Welfare, March 4, 1901 and continued as Chairman of the Board from the year 1903 until his death December 29, 1934, a period of (34) thirty-four years.

In the passing of George H. Ames the Town of Saugus lost one of its most useful and respected citizens. In the years Mr. Ames served on the Board there were many forward steps taken in the manner of Public Welfare as regards the method of assisting the needy, housing and aiding the widows and orphans, and relieving the sick and homeless.

His chief interest was the folk of the town and the protection of the taxpayers. He, if he ever erred, erred on the right side and made sure nobody went without.

Not only did he give of his best to the welfare part of the work but he was also deeply interested in the Town Farm and its inmates. He gave of his time and interest unstintingly to the development of the Town Infirmary and lived to see the Infirmary become one of the homiest and most congenial for the inmates as is in this part of the country.

Mr. Ames was from the hardy stock of which substantial citizens are made. He was a credit to the town in which he was born and in which he lived.

He was absolutely fair in all his dealings, possessed of unquestioned integrity and unimpeachable honesty. He did much in his life-time for those to whom fate had not been kind and because of this he will always be remembered as a friend of the less fortunate.

Mr. Ames, a gracious personality, an upright man, a courteous gentleman, a noble citizen, a humble Christian, has been called home. May we, while here, strive to follow in his steps.

Report of Board of Public Welfare

CHARITY DEPARTMENT

To the Citizens of the Town of Saugus:

Your Board of Public Welfare submits its annual report for the year ending December 31st, 1934.

Our appropriation of \$35,000. at the regular Town meeting was augmented at a later meeting by \$10,000. making a total appropriation of \$45,000. for the year. This amount proved to be inadequate to the extent that by September 18, 1934 we were compelled to forego the payment of all bills in order to take care of the Old Age Assistance recipients and the widows and orphans receiving Mothers' Aid and, much to our regret, during the last three weeks of the year the only way we could take care of these was by giving the equivalent in orders.

\$15,000.00 was voted at a special town meeting held January 3rd, 1935 to pay unpaid bills.

Not only does this unfortunate condition entail hardship on the recipients but it entails an enormous amount of extra work in the Department.

We do not hold any one responsible for this, appreciating that every town officer has the interest of the town at heart but we trust that, in the future, our requests, based on the experience of the members of the Board, will be given favorable consideration to obviate, if possible, such a condition.

During the year Saugus has received from other cities, towns and the State and Federal ERA Funds a total of \$24,383.58. This is gratifying as it reduces by that amount the net cost of Welfare and Old Age Assistance Department of the Town.

At the present time our weekly Mothers' Aid pay roll is \$43.00 and the weekly pay roll on Old Age Assistance is \$408.50 which yearly, on the latter alone, accounts for approxi-

mately \$21,242.00 of our appropriation, a very substantial part of our expenditures.

The Board of Public Welfare have the same problems to meet today as they have always had only these are at the present time intensified by the fact that there is no relief this winter of Federal Coal and also that the E.R.A. hours have been of necessity shortened which means that people with large families are compelled to come and ask for additional aid

On December 29th, 1934 we lost by death our esteemed Chairman, George H. Ames, and while his passing is referred to in another part of the town report yet we feel that as he had been in every sense of the word a real part of the Board of Public Welfare or "Overseers of the Poor" as he liked to speak of it, for so many years that we should record in this, the first report since he left us, our sincere regrets in that he has gone from amongst us: His wise counsel will be sadly missed.

We have done our utmost during the year to conduct the business of the Board in an efficient and business-like manner. Mistakes have perhaps been made but if so these were unintentional. Our duty to the applicant and also to the Taxpayers of the town have been kept ever in mind.

We have had great co-operation from the men aided during the year and were thereby enabled to send the following men to work in the several Departments of the Town:

	Men	Days
Public Works Department	257	334
Town Hall	55	67
Town Infirmary	302	335
Playground	1	1
Welfare Department	1	3½
Cemetery Department	169	208

E.R.A. clothing has also been distributed through our department during the year; our only regrets regarding this particular phase of the work was that, owing to the fact that we only received certain articles from the Commissary in Salem, we were unable to give to the town's people all that they asked for in the line of clothing.

We want to go on record, thanking the Merchants, Coal Dealers, Doctors and Druggists of the town for their cooperation with this Department during the year, also all organizations and citizens who in any way have helped us to help the less fortunate.

For the year of 1935:

We are asking for an appropriation of \$43,700.00 for Public Welfare and an appropriation of \$23,000.00 for Old Age Assistance, trusting that with judicious handling we will be able to meet our obligations as your Board of Public Welfare.

Respectfully submitted,

ERNEST M. HATCH,

ARTHUR C. DUNK, *Secretary*

Board of Public Welfare of Saugus, Massachusetts

Saugus Infirmary

Our appropriation for the year 1934 was \$2,500.00 which was augmented later by \$500.00. On January 3rd, 1935, \$600.00 was appropriated for unpaid bills. The reason for this was that, for a considerable part of the year, the number of inmates at the Town Infirmary were practically doubled at least, from seven to thirteen. This entailed considerable extra expense and as it is impossible to foresee such a condition we were compelled to overrun our appropriation.

Receipts for the year totalled \$204.00.

Improvements to the house and buildings during the year are as follows:

New barn built this year. C.W.A. Project.

Buildings all repainted—two coats, no cost to the town except approximately \$10.00, this being done on a C.W.A. Project.

There have been two new lavatories installed by the C.W.A. the material being furnished by the Town.

A new hot water system was installed with a small boiler in the cellar, water all hooked-up with the steam boiler. C. W.A. Project.

House all re-piped; hot and cold water. C.W.A. Project.

New lighting system, all new wires and fixtures, furnished the town by the Insurance Company.

The following is a summary of what was raised at the Farm:

There have been (700) seven hundred quarts of fruits and vegetables preserved.

There were (250) two hundred and fifty bushels of potatoes raised.

There have been (15) fifteen bushels of rhubarb raised and distributed among the needy.

There were (82½) eighty-two and one-half cords of wood distributed to the poor between January 1st, to May 1st, 1934, the value of each cord being \$15.00.

The following produce was raised and used at the Infirmary:

100 Bunches of Asparagus

30 Bushels of Tomatoes

100 Bunches of Beets

50 Bushels Carrots

55 Bushels of Sweet Corn

Approximately two acres were ploughed by the warden and given to citizens of the town as home gardens.

During the year the total number of people cared for at the Town Farm was (19) nineteen, of whom (12) twelve are now there. We had no deaths at the Infirmary but one who was removed to a State Hospital passed away there.

The Board at this time wish to commend Mr. and Mrs. Ralph Whidden, Warden and Matron for their patient labours and kind attention given the inmates during the year.

Respectfully submitted,

ERNEST M. HATCH,
ARTHUR C. DUNK, *Secretary*

Report of Investigator and Visitor

WELFARE DEPARTMENT

To the Board of Public Welfare, Saugus, Mass.

GENTLEMEN :

I herewith submit my fourth annual report as Investigator for the Board of Public Welfare.

During the year I investigated three hundred and ten temporary aid cases. Of these one hundred and nine made application in 1934. In addition to the three hundred and ten temporary aid cases, I have investigated and visited one hundred and thirty one Old Age Assistance cases. Twenty-six of these made application in 1934. Thirteen of which are now deceased, one was dropped, four moved out of town, two were conveyed to a hospital, and ten are pending further investigation. Twenty-five were found after investigation to be ineligible for the Old Age Assistance.

These cases have been visited at least four times during the year as required by law.

I have conveyed thirty-five persons to various institutions and hospitals during the year.

A number of settlement notices from other cities and towns were checked, and upon investigation several of these were found to have no Saugus settlement. Proving these non-settlement cases, meant a great saving to the Town of Saugus.

In addition to Welfare Work, we have had nine quotas for the C.C.C., a total of one hundred and two boys between the ages of eighteen and twenty-five. These were investigated and conveyed to the Army Base in South Boston, where three were found unsuited by the Government inspection.

I have received co-operation from other Welfare Boards and various organizations, and in turn have co-operated to the best of my ability.

I would like in closing to thank the Board of Public Welfare, and all others who have co-operated with me during the past year.

Respectfully submitted,

FRANK P. GAROFANO,
Investigator and Visitor,
Board of Public Welfare

Report of Public Works Department

To the Honorable Board of Selectmen:

GENTLEMEN:

I submit the annual report of the Public Works Department for the year ending December 31, 1934.

C.W.A. & E.R.A.

Projects pertaining to the C.W.A. and E.R.A. in connection with highways and drains.

All the above projects have been of benefit to the town, the drain jobs have made many cellars dry while the road projects have eliminated many curves and improved the roads by widening and resurfacing. The brook cleaning and widening project, although not completed will prevent these waterways from overflowing and destroying much property. The new road through the Willis property to Grandview Ave. will be an excellent entrance to the Bailey Hill section where much good development will follow.

The following list of projects were supervised by this department:

Springvale Ave., Drain	1650 Ft.
Lincoln Ave., Drain	1860
Whitney, Laurel, Eustis, Drain	2500
Birch St., Drain	1200
Pleasant St., Drain	1600
Dudley St., Drain	1100
Auburn, Pearson, Jasper Sts., Drain	875
Stanton-Victoria Drain	450
Grandview Ave., Drain	250
Essex St., Vine to Broadway, Road Repair ..	750
Woodbury Ave. Road Repair	1400
Elm St. Road Repair	2375
Sweetwater St., New Construction	1400

Upper Main St. Road Repair	3000
Fairmount Ave. Road Repair	2500
Central St.	300
Gradview Ave., New Construction	275
Main St. Removal Rails	3200
Brooks, cleaning and widening, about 4 miles	
Golden Hills Water Extension	200.00
Resurfacing all C.W.A. and E.R.A. drain projects.	

ENGINEERING

Mr. John Dyer assisted by Mr. Frank Comey have carried on the work of this department very ably. They have given lines and grades for all C.W.A. and E.R.A. projects. During this extra demand for engineering it has required many hours which have often extended into the early morning.

There has also been a survey of the Golden Hills section, still a part of Saugus and which is to be completed.

NEWLY ACCEPTED STREETS

Wamesit Avenue

Many loads of gravel have been spread and rolled in, improving the street at small expense to the town.

Ocean View Avenue

An E.R.A. project is approved and work will commence upon the completion of the Fairmount Ave. project. The intention is to grade Ocean View Ave. from Western Ave. to Summit Ave., and will please the many residents of the Baker's Hill Section.

STREET SIGNS

Ten new type street signs have been erected this year at the following points and it is hoped that more of these signs may be purchased in 1935.

Woodbury Ave.	Central St.
Summer St.	Myrtle St.
Winter St.	Birch St.
Ballard St.	Newhall St.
Lawndale Ave.	Mt. Vernon St.

HIGHWAY DIVISION

The year 1934 has been a busy one for the Department. Approximately 75% of the regular working hours have been

devoted to C.W.A. and E.R.A. projects, thus making it necessary to do maintenance and repair work in the few hours left each week.

SNOW REMOVAL

The winter of 1933 and 1934 was by far the hardest the Department has ever had to handle. By working day and night it was possible to keep the roads open. This was possible due to the co-operation of everyone of the department's men. Our work in this line could be made faster and easier with more up-to-date equipment. Our three large snow plows are of the old pusher type, whereas the modern plows are of the rolling type. The trend today is for smaller trucks equipped with rolling plows which would increase our efficiency 30%; also allow us to do away with hiring of plows. Something on this line must be done soon for our two large trucks have reached and passed the retirement age, one being eleven years old.

LABOR

Our labor percentage this year has been much smaller for highway work, because a large number of men who came to us previously from the Welfare Department were taken over by the C.W.A. and E.R.A. During the E.R.A. working hours all our trucks, drivers and repair men have been busy in connection with the various projects.

RESURFACING

This work should be taken up again this year (1935) on a large scale. Most of our streets have not been treated for four years. Therefore our street surfaces are developing holes which must be taken care of with patching material. The patching work has increased greatly. Asphalt was applied to Norman Road, Upper Essex Street, Sweetwater Street and Elm Street.

DRAINAGE

Two new basins were built on Columbus Avenue and two on Woodbury Avenue. Minor repairs have been made on several drains. On Ballard Street a new line was connected at Warren Avenue, and laid to Greenwood Avenue with three new basins.

Catch basin cleaning was much handicapped in the spring and again in the fall due to the shortage of Welfare help. Gutter cleaning was also handicapped for the same reason.

GRAVEL FOR ACCEPTED STREETS

Gravel was placed on the following accepted streets: Vincent Street, Raddin Terrace, Columbus Avenue, Denver Street, Maple Street, Wamesit Avenue, Horton Street, Riverside Park and Park Street.

GRAVEL FOR UNACCEPTED STREETS

Gravel was placed on the following unaccepted streets, and spread by the abutters; Ash Street, Waverly Avenue, Eustis Street, Stocker Street, Beech Street, Elmwood Avenue, Auburn Street, Summit Avenue, Sapphire Road, Allison Road, Midvale Avenue, Elaine Avenue, Makepeace Street, Hurd Avenue, Johnson Terrace, Palmer Avenue, Hillcrest Avenue, Cliff Road, Walden Pond Road, Cliff Street, Church Street, Summer Court, part of Mountain Avenue, Houston Avenue, Harvard Avenue, Dudley Street, Williams Avenue, Farrington Avenue, Westland Avenue, Guild Road, Marden Street, Pineview Avenue, Riverside Court, Dreeme Street, Second Street, Davis Avenue, Basswood Avenue, Burrill Street, Harlow Street, Wickford Street, Greenwood Avenue, and Warren Avenue.

SIDEWALKS

Cinders from the schools were spread on the Main Street sidewalk.

FENCES

Fences were repaired on Balland St., Spring St., and Walnut St. Most of these fences were damaged by automobiles. We have miles of fence which should receive minor repairs and paint.

BRIDGES

The Elm St. Bridge is still on props and must be replaced this year. Last year several bad holes were repaired and additional posts placed beneath the flooring. The estimated cost of replacing the same type of bridge is \$2,500 or with steel and concrete about \$4,000.

A sidewalk was replaced on the Central St. bridge, and the floors of the Highland Ave. and Ballard St. bridges were repaired.

CLEANING OF SQUARES

This work was carried on in the usual way giving us clean, presentable squares.

GREENS

Our greens have been mowed and trimmed. and flowers have been planted in the flower beds. All of the greens need fertilizing. About 35 loads of loam were placed on the Oaklandvale Square green. It is hoped that this year we will be able to seed this green down and make it an asset to the town.

REMOVAL OF ASHES

This work was carried on very successfully this year. The first three months of the year called for more work on the part of the ash crew, due to the heavy snowfalls. The increasing use of oil burners has increased the amount of waste paper from homes and stores, therefore a truck with a larger carrying capacity is necessary.

The truck was purchased 'rebuilt' in 1933 at which time the work was taken over by this department and should be replaced with a new truck with a larger carrying capacity. The estimated cost of such a truck, properly equipped is about \$1,000, and has been requested in the Budget for 1935.

OLD FIRE STATION

Toward the latter part of 1934 the old fire station was moved to a new location at the town yard in order that work on the new building could be started. It is now contemplated to move the Public Works Department and the Engineering Office to the old fire station when the new one is completed in the early summer.

I have been very ably assisted by Mr. Ernest M. Merrithew in the work of the department which has been greatly increased during the past year by the great number of C.W.A. and E.R. A. projects which have been in progress under the supervision of this department.

Signed: DEXTER G. PRATT,
Superintendent.

WATER EXTENSION

Edge Hill Road, Golden Hills 80 feet

There are approximately 54 miles of water mains in service in the town.

Report of the Harbor Master

To the Honorable Board of Selectmen:

GENTLEMEN:—I wish to submit the first annual report of the Harbor Master for the year ending December 31, 1934.

Yachts and motor boats given assistance in distress and towed to a safe anchorage, four (4); recovered adrift and returned to owner, one (1); removed from midchannel, eight (8); unregistered boats reported missing, six (6); unregistered boats recovered and returned to owners, six (6); owners of water front property ordered to stop dumping in tide water, four (4); duly registered boats assigned to an anchorage, eighty-five (85). Sixteen hundred (1600) miles were covered by motor boat for regular and patrol work.

Through the efforts of this office a hearing was held October 24, 1934, conducted by War Department Engineers to obtain better drawbridge service, to this date no ruling has been prescribed by the Secretary of War. The Superintendent of Lighthouses, second district, will cooperate to set new channel buoys in the Saugus and Pines Rivers.

As no appropriation has been made for this department, all expenses and bills have been paid by the harbor master.

In conclusion I wish to thank the Honorable Board of Selectmen, and all others who by their cooperation aided me during the past year.

Respectfully submitted,

PHILIP A. FARNHAM,
Harbor Master.

Report of the Chief of Police

To the Honorable Board of Selectmen:

It now becomes my pleasure to present to you my fourth annual report of the Police Department and their doings thereof during the year 1934.

The department consists of a Chief, one Captain and ten patrolmen. Also there are forty nine special police officers of which number eighteen are uniformed and available for police work. The roster of the police department is as follows:

Chief

John T. Stuart

Captain

Henry P. Wheaton

Regular Patrolmen

Frank W. Joy, James P. Sullivan, Clarence H. Berrett, Roland E. Mansfield, Peter A. Flaherty, William MacDougall, Joseph A. Lambert, Jr., James F. Maher, Thomas F. Spencer, Walter F. Neal.

Special Police Officers

Gustave A. Anderson, Timothy J. Bannon, Earl E. Bentley, Oren O. Bentley, Howard P. Berrett, Thomas E. Berrett, James Blair, Francis W. Burke, William F. Cahill, Thomas E. Canavan, Harold J. Coburn, Charles C. DeFranzo, Nathaniel Diamond, Ernest A. Dunham, Philip A. Farnham, John W. Foley, Theodore Fryswyck, Frank Garafano, Ernest M. Hatch, Norman D. Hatch, Percy Hawkes, Charles W. Herald, Clarence W. Howard, Phillips A. Hull, Fred Leary, Samuel Maddox, John E. Mansfield, Howard P. McAdoo, Alexander S. McCarrrier, Ernest A. Merrithew, Carl G. Pearson, Willie M. Penney, Dexter G. Pratt, Charles B. Pugsley, Henry R. Robinson, William S. Rockhill, Edward O. Roy, Joseph Rosetti, Percy R. Salsman, Frank L. Symonds, Everett Vickary, John W. White, Frederick B. Willis.

Special Police Officers for Lynn Water Shed.

Michael Ahern, Henry A. Dever, Albert R. Fallon, Patrick Garrity, William Kennedy, Dennis Mead.

During the year 1934 the total number of persons arrested were 794. Of this total 748 were males, 33 females and 23 juveniles. This is a slight increase over the year 1933.

These arrests were for the following offences:—Drunkenness 202, Violations of the Motor Vehicle Laws 318, Violation of the Road Law 36, Operating motor vehicle under the influence of liquor 49, violation of the fish and game laws 18, assault 7, keeping an unlicensed dog 27, disturbing the peace 7, Default 9, Assault and Battery 5, Destroying Property 4, Breaking, entering and Larceny 13, disorderly conduct 1, fornication 2, carrying concealed weapon 1, delinquency 1, larceny of auto 4, malicious mischief 1, larcey 21, larceny delinquent 11, insanity 2, gaming on Lord's Day 7, non-support 9, indecent exposure 3, violation of probation 3, receiving stolen property 1, truancy 3, violation town by-laws 3, vagrant 2, runaway 1, neglected child 3, interference with an officer 2, incest 3, stubborn child 1, rape 3, robbery while armed 4, illegitimacy 1.

Dispositions of the years arrest were as follows:—Fined 332, filed upon costs of court 18, filed 207, released 72, discharged 33, Held for Grand Jury 20, committed to State Farm 2, committed to House of Correction 37, arrests for outside police department 24, dismissed 6, default removed 7, probation 11, committed to the State Board of Child Welfare 3, committed to Massachusetts Training School 1, committed to Essex County Training School 2, committed to Danvers State Hospital 2, committed to Lancaster School for Girls 1, committed to State Infirmary 1.

The nativity of the persons arrested, segregated are as follows:—American 691, Armenian 5, Canadian 18, English 4, Italian 50, Polish 32, Swedish 10, Lithuanian 3, Jewish 14, Irish 11, Greek 6, French 7, German 2, Finnish 2, Russian 2, Turkish 1, Japanese 1, Portuguese 1, Scotch 2.

The total amount of fines collected in the Saugus Police Court for the year 1934 were \$2276. Of this amount \$1500.

is turned over to the Commonwealth of Massachusetts, \$70. is turned over to the County of Essex, \$706. is turned over to the Treasurer, Town of Saugus. In the Lynn District Court, forty-nine cases of Operating a motor vehicle under the influence of liquor were tried and fines totaling \$3150. were assessed. One received a House of Correction and eleven were discharged. There were sixteen cases in which appeals were taken to the Superior Court.

Daily reports of officers show the following: Complaints received and investigated 1392, Doors and Windows found open and secured 232, Autos stolen 40, Stolen Autos recovered 40, Lost articles reported 46, Lost articles found 59, Lost dogs reported 63, Lost dogs found 64, Persons reported as missing 63, Persons reported as missing, found 66, Conveyed to hospital 88, Responded to fires 46, Notified for out of town police and hospitals 140, all others 368, making a total number of reports 2698.

In the nineteen hundred and thirty three report I told that the Police Patrol (Ambulance) was obsolete and out of date. It is a 1922 model and is unfit for hospital work. The Packard Sedan should be replaced. I asked that this be done last year, but was not done. It is imperative that both the ambulance and all other automobiles in the police department be replaced so as to insure maximum efficiency in the performance of its duties, and be able to respond in emergencies.

In the year 1934 some money was expended to repair the old ambulance, so as to carry on through another year. There were parts needed for this ambulance that could not be bought at this time that it was repaired due to the fact that the manufacturers had discontinued making parts for a vehicle fifteen years old. In the event some one part of the ambulance breaks and cannot be renewed the department will be crippled as to have some piece of equipment to take care of hospital work which is ever increasing in the department, not to mention the amount of accidents the ambulance responds to in the course of a year. As for the police prowler car, it has been more or less on the road sixteen hours a day during the past two years. It has served the Police Department efficiently and has not cost much for repairs. It has now got to the stage where

it will cost considerable to keep it on the road and in repair. This car serves to give police protection to the whole town covering all outlying sections very frequently during the day and night. In my opinion it would be a wise move on the part of the Town to replace this car this year. The Packard Sedan during the year 1934 has cost considerable to keep in shape and will continue to cost money in excess of its value to the town. I have suggested that a lighter car be bought to replace this car. Therefore in the interest of economy and efficiency, the police cars and ambulance should be replaced in the year 1935.

In conclusion I wish to thank the Honorable Board of Selectmen, Judge William E. Ludden, the several Town Officials and all private citizens who by their cooperation and good will toward the police department during the past year has aided me in maintaining the high standard of efficiency in which your police department enjoys. And last but not least I wish to thank the members of the department who have worked diligently to preserve peace in the town.

Respectfully submitted,

JOHN T. STUART,

Chief of Police.

Report of the Board of Fire Engineers

Saugus, Mass., January 1, 1935.

To the Honorable Board of Selectmen, and the Citizens of the Town of Saugus:

We herewith submit the annual report and activities of the Fire Department, for the year ending December 31, 1934.

Arthur W. Price

Ernest W. Homan

During the year of 1934, the fire department responded to 357 alarms and calls, for fires and other duties, an increase of 56 calls over the year 1933.

There was 132 box alarms, and 225 telephone calls, 24 of which were followed by box alarms, to call the call firemen to duty at fires.

Sixty one alarms were false and needless, many of the telephone calls were needless.

Total mileage traveled by the apparatus in responding to calls was 2,083 miles. Engine one 593 miles. Engine two 987 miles. Ladder one 503 miles. Chief's automobile traveled 3,872 miles in responding to fires and in performance of many other duties as required.

The assessed valuation of buildings, automobiles, insurance on buildings, automobiles and their contents, etc. involved in fires are as follows as near as could be ascertained.

Assessed value of buildings, autos, trucks, etc. . .	\$137,245.00
Loss on buildings, autos, trucks, etc.	23,930.00
Insurance on buildings, etc.	237,700.00
Insurance paid on buildings, etc.	14,227.12
Estimated value of contents	80,700.00
Estimated loss on contents	14,266.00
Insurance on contents	44,700.00
Insurance paid on contents	7,367.09

During the year 28,000 feet of $\frac{3}{4}$ inch hose, 17,500 feet of $1\frac{1}{2}$ inch hose, and 17,200 feet of $2\frac{1}{2}$ inch hose was laid and used at fires, a total of 52,700 feet. $47\frac{1}{2}$ gallons of Chemical fluid was used at fires, 928 feet of ladders was used. 19,550 feet of the above total was used at grass, brush and wood fires.

Tabulated fire alarms, calls, etc. are as follows:

Buildings 80, Bon fires 4, automobiles and trucks 19, drowning accident 1, rubbish 11, brush and woods 99, dumps 37, grass 28, calls for Inhalator 3, demonstration 1, chimney fire 1, rescue cats from trees 2, cave in of trench 1, automobile in river 1, fires in Revere 2, calls to Lynn 2, call to Melrose 1, sprinkler break 1, electric wires burning in tree 1, automobile accident 1, false and needless 61, total 357 calls.

Alarms and calls by month for 1934.

	Bell alarms	Telephone alarms	Total
January	6	9	15
February	4	7	11
March	6	12	18
April	36	72	108
May	7	38	45
June	7	11	18
July	25	24	49
August	6	15	21
September	1	7	8
October	3	7	10
November	16	8	24
December	15	15	30
Totals	132	225	357

Sixty one of the above were false and needless.

All fire apparatus, Engine two and ladder one are in good condition, and good for several years to come, providing that they do not meet with accidents. Engine one is in fair condition.

The Chevrolet Coupe, Chief's automobile is nearly seven years old, and in poor condition and almost unsafe to be driven.

On May 1, 1934, Call fireman William A. Mathewson dropped dead in the fire station upon return from a fire at 12:35 A. M.

April 1, 1934, Fireman Henry Saxon was retired on pension, after many years of service.

The fire department has done excellent work in keeping the fire loss down to the small fire loss that it has with such a large territory, nearly 11½ square miles to cover, and with the small number of men to man the apparatus and extinguish the fires.

We, in closing, make the following recommendations:

That a new automobile be purchased for the use of the Chief, as the duties of the Chief have been greatly increased, and under the directions of the State Department of Public Safety,

in regards to the inspection of the storage of fuel oil and all fuel oil burning equipment installed in any buildings and structures and on the premises.

We recommend that Engine one, the Seagrave be rebuilt.

We recommend a program of installation of hydrants every year as those we have are too few and far between.

We recommend the installation of a complete new Fire Alarm system.

We recommend the taking of a parcel of land in the Cliftondale section of the Town, for the purpose of erecting a new Fire Station.

The work of the department has increased greatly during the last few years, the apparatus goes out many times, without sufficient men. We recommend the appointment of four permanent men.

That a compressed air fire alarm whistle be installed at some place near the center of the town, and eliminate and discontinue the antiquated fire alarm bell system, that is now in use for fire alarm purpose, as they are unreliable in calling the men to fires.

That 500 feet of $2\frac{1}{2}$ inch hose be purchased each year for the next 3 or 4 years, and that about 1,000 feet of $1\frac{1}{2}$ inch hose be purchased.

That the 35 gallon Chemical tank on the Seagrave, Engine one, be replaced with a 100 gallon water tank connected with the fire pump.

That two hydrants be installed on Walnut Street, between Elm Street and the Lynn line, a distance of 2,220 feet, nearly one half a mile.

That one hydrant be installed on Vine Street, between Main Street and 68 Vine Street, a distance of 1880 feet without a hydrant.

That a fire alarm box be installed at or near 821 Broadway, as the nearest box to this location is more than $\frac{1}{4}$ mile away, There is some very valuable property in this vicinity.

FIRE PREVENTION

That fire prevention is the best means of reducing the great loss of life and property, caused by fire, be your own fire inspector, inspect your homes from attic to cellar, and remove all materials and rubbish that may cause fire.

Familiarize yourself with the location and workings of the nearest fire alarm box to your home, office and place of business.

In case of fire go to the nearest box, open the outside door, and pull down the hook on the inside door, and if possible wait at the box to direct the firemen and apparatus to the fire.

SUGGESTIONS FOR GOOD HOUSE KEEPING

Keep your premises clean and free from rubbish.

Keep halls, stairways and exits to fire escapes free from obstructions.

Put ashes, oily or inflammable materials into metal recepticals with metal cover.

Be careful in the use of lighted matches, candles, cigar and cigarette stubs. Matches have no brains, smoking materials are not much better.

Never use open flame in thawing frozen water pipes, wrap cloths around the pipes and pour hot water on them, any thing aflame is liable to start a fire.

Never sound false alarms. There is a heavy fine and imprisonment for sounding false alarms, or interfering and tampering with the fire alarm system.

Signed by the Board of fire engineers

MELLEN R. JOY, *Chief*

CHARLES C. DeFRONZO, *Chairman*,
GEORGE F. GOSSELIN, *Secretary*,
ERNEST W. HOMAN,
ARTHUR W. PRICE.

Report of Forest Fire Warden

Saugus, Mass., January 1, 1935.

To the Honorable Board of Selectmen:

Gentlemen:—

I hereby submit the annual report of the Forest Fire Warden for the year ending December 31, 1934.

During the year of 1934, there was 97 brush and wood fires, 29 grass fires, as against 117 brush and wood fires, and 33 grass fires in the year 1933.

During the year the following amount of hose was laid and used at brush, wood and grass fires, 11,950 feet of $\frac{3}{4}$ inch hose. 6,550 feet of $1\frac{1}{2}$ inch hose, and 1,050 $2\frac{1}{2}$ inch hose. Total 19,550 feet.

I recommend that the Town purchase a light piece of apparatus and the necessary equipment and appliances for handling all such fires in place of using the heavy and expensive apparatus this apparatus could be used at building fires, when not in use at wood fires.

I think that the town would be saving money by doing so, and it could be used at fires in the Golden Hills section, when not in use elsewhere.

Respectfully submitted,

MELLEN R. JOY,

Forest Fire Warden.

Report of Superintendent of Fire Alarms

*To the Honorable Board of Selectmen; Board of Fire Engineers
and the Citizens of the Town of Saugus:*

I herewith submit the annual report of the activities of the Fire Alarm Division for the year ending December 31, 1934.

Due to the limited funds available the fire alarm system has been repaired where absolutely needed and those repairs done with salvaged material, the life of which is far less than new material.

One new box was purchased and the section constructed for that, the length of Wamsit Street, is the only first class work we were able to do during the year.

All call members of the Fire Department and all regular members, except three, have tappers of some nature in their homes. This has greatly increased the man power at fires and clearly proved its worth.

During the night of December 26th three fourths of the town was without alarm protection due to two line failures. Both failures were directly due to old wire not able to stand up under the strain of the wind that night. This is one example and is given that all concerned may realize the unreliable system we are depending on.

Of the 61 boxes in town the town owns just one first class reliable box, 316 Ballard and Lincoln Avenue. Box 47 in Monument Square is also a first class box but it is only loaned to me during the period the Fire Department is housed so far from the square. I will be pleased to show or explain to any citizen his box and will tell him exactly its rating, good, bad or dangerous.

I cannot too strongly recommend a complete new Fire Alarm System for the town, for the protection of your home, your place of business, your family and to reduce your insurance

rate. The Fire Department cannot know of your need unless notified and the system must function always regardless of time, weather or number of alarms at once.

Fire boxes rewound after alarms 143 (in use 61)

Fire box failures 4

1—account temperature 35 below zero

1—account poor condition of storage battery in service.

1—account main spring broke while running.

1—account gave 312 when should send 412.

Fire boxes repaired 4

Fire boxes tested 21

Fire boxes moved 7

Fire box numbers changed 2

Fire tappers, (in use 23)

Fire tappers removed 7

Fire tappers installed 18 (gain of 11)

Fire tappers repaired 20

Fire tapper failures 22

Tower bells (in use 3)

Tower bells rewound (total times) 156

Tower bells repaired 18

Tower bell failures 14

Punch register (in use) 1

Punch register failure 1

Punch register repaired 1

Crossarms (in use unknown)

Placed 374

Removed 209

Changed 31

Line wire (in use) about 85 miles

Placed 80,680 feet

Rewound 43,220 feet

Failures 10

The Fire Alarm truck is in such condition as to be unsafe to use but has been used and driven 2100 miles and the Superintendent's own car used 1918 miles. The truck was purchased in 1932, used, for \$150 and the repair expense in 1934 was slightly under \$100. A new heavier, larger truck would be more reliable and less expensive and is asked for.

During 1934 the battery, upon which the system depends, was repaired and rectifiers placed. This change has helped to maintain the power on the line.

All circuits, 3 in number, are overloaded and bells and boxes are all connected together on the same circuit. This should be changed and is contemplated if and when the money is available.

Respectfully submitted,

RAY S. WADE,

Supt. of Fire Alarm.

Report of Board of Selectmen

To the Citizens of the Town of Saugus:

It now becomes the annual duty of the Board of Selectmen to report to the citizens of the Town of Saugus upon their conduct during the past year and the conditions with which they have been forced to unceasingly cope. Probably never before in the history of Saugus has a board been faced with such potential difficulties as has prevailed over the last year. Many matters which in normal years would have been handled by the Board of Selectmen for the betterment of the entire community, have had to be regretfully laid aside until the time arrives again when improvements may be made without substantial effect upon the public purse.

Constantly in the minds of the members of the board of selectmen during the past year have been two objectives — separate and distinct, and yet closely interwoven with each other — the supreme need of hundreds, even thousands of our citizens, and the realization that the taxpayer was also confronted with an almost insurmountable burden.

The citizens and voters of Saugus saw fit last February to elect to the board of selectmen Messrs. Harry Woodward, George H. Quarmby, and C. Carroll Cunningham.

At the first meeting of the board, Mr. Woodward was the board's choice as chairman and Mr. Paul A. Haley was unanimously selected as clerk and secretary.

ERA Problems

Your board desires to call to the attention of the people the vast problems of the last year revolving around unemployment. When the board assumed office, the C. W. A. was in existence with the late lamented George H. Ames as administrator. Later the State designated Mr. Paul J. Hayes of Cliftondale as administrator. It is the desire of your board to report that they have co-operated to the utmost with these

gentlemen in their arduous work to provide labor for the town's unemployed.

There is nothing to indicate that the town's problems along these lines will be lessened in 1935. We must, obviously, prepare for measures to care for the ERA, if it be in existence, or other types of "work relief" which will be promulgated by the President or enacted by Congress.

Mr. Harry Woodward, acting in his capacity as chairman of the board, has dispensed, with the approval of his colleagues, the necessary funds to administer the ERA during the past year. The cost of materials, roughly, is about \$30,000. From this the town has received in wages for its citizens approximately \$200,000. Take, however, as a contrast one of our neighboring cities. Here the expenses have totalled \$175,000 against \$300,000 received in labor money.

It has been the constant duty and privilege of your board to do all possible for the success of the ERA. It has been their privilege to co-operate in every way and to make certain, insofar as possible, that all available equipment is furnished as requested and that the men be given all possible protection in their earnest efforts to earn sufficient money to keep them from actual need.

The Tax Angle

Contrastingly, it has been the sworn duty of your board to see that no funds have been wasted, that the town has received for every dollar expended from its coffers as nearly as possible a dollar's worth of value. To make certain that every penny expended should be accounted for, the board has installed an order system, has lived up to it rigidly, and has maintained at all times an efficient office system under which these and other problems have been handled to the gratification to all who have had contact with it.

It has been the constant aim of the board that the tax rate shall be kept as low as possible. Department funds have been jealously guarded to this end and the decline of 20 cents in this year's rate is to your selectmen an achievement for which they hardly dared to hope.

In assisting to make this rate possible, the board wishes to thank the limited town meeting for its painstaking economy, all of the financial officers of the town, and the board of assessors.

Many Meetings

Probably never in the history of the Town has a board of selectmen been forced to devote so much time to the job. No less than 150 meetings, extending from an hour to five or six, have been held during the past year. Each member of the board, being chosen by the people on his individual ability, has felt, quite properly, that it was his duty to express his own opinions and those of his constituents, all to what he believed to be the best interests of the town. Certainly, no board of directors of another million dollar corporation would meet in perfect concord on each and every question arising for attention. The people of Saugus choose to be governed by a three man board instead of by a mayor in the presumptive belief that they will gain in the end the combined intelligence of the trio before decisions of any nature have been made. That has been the case this year—that the board has debated at length—and quite frequently with wisdom—has, we believe, merely been a manifestation of the virtues of the New England type of government.

Fine Finances

That the finances of Saugus are in fine shape cannot be disputed. During the year Town Treasurer Harold E. Dodge sold short term notes for the amazing figure of 00.69 and bonds for the new fire and police station building over a period of 20 years were marketed at three and one quarter per cent, or one half of one percent lower than the town had previously ever sold bonds.

Interesting in this picture is the fact that by taking a grant from the Federal government instead of borrowing direct, the town saved about \$6,000 over the 20 year period.

This fine financial standing must, at all costs, be preserved. Saugus has been the subject of favorable comment by the State Emergency Finance Board on its unusual standing and

such a condition must be improved rather than injured. Hence your board advises a most careful scrutiny of all bond issue proposals with a view to deciding their real worth before engaging in them and a continuation of the present conscientious spending of the town's funds.

It should, however, be the watchword of the Town that no worthy citizen shall be allowed to suffer because of the economic factors at present gripping our town and country. We must sacrifice in all possible ways to see that those of our friends and fellow townspeople who are at present in the tolls of the vicious cycle of unemployment shall be allowed to return eventually to their normal employment without a spirit of bitterness prevailing against their government. Charity, tempered with wisdom, must continue to be the watchword of our administration.

The Liquor Laws

Thrust into the hands of the board this year has been the duty of complying with the demands of the voters that Saugus shall have all liquors. Twice the people of the Town have reaffirmed their belief that the town should have not only wines and beers but hard liquors. The board has felt it to be its unquestioned duty to comply with the mandate of the people.

Unfortunately, the law gives to the board of selectmen few, if any, prerogatives. Gone are the restrictions of former years. Any person of good moral character is entitled to a license until the given number is exhausted.

But the board has seen almost universal satisfaction with the men operating establishments for the sale of liquor in Saugus. Not a single complaint has been brought either to the police department or the board of selectmen during the past year which was of sufficient weight to warrant an investigation. If the people of Saugus wish the sale of liquor, as shown by their ballots, indications are quite clear that they are also well satisfied with the type of men licensed by this board. To the selectmen the question cannot be of a moral nature—the board must act solely on the issue involved—the fitness of the petitioner.

Roads and Bridges

It is the duty of the board of selectmen to report to you that there is a vast and growing need for additional road building and bridge construction in Saugus. During the year the board has bought two trucks but these are only supplanting worn out pieces of equipment. We have been attempting to run ERA projects employing as high as 400 men with equipment designed for the use of a maximum of 50 during the summer months. The town has not seen fit to do road work of any nature for the past five years. We have sacrificed our road surfaces for the minor savings involved! Something, we believe, must be done this year, and we commend the reader to the annual report of the public works department.

Water Department

This department also requires deep study and attention at the hands of the limited town meeting. It is our intention, when the new fire and police station is completed, to use the old building as a headquarters for the public works department and to absorb the billing and collections of water accounts into the department of the tax collector.

During the year, the board regrets to inform the citizens, the town lost the services of a veteran and conscientious member of the department in the person of Robert H. Cunningham, foreman of the water extension department, who passed to his reward after a period of illness. Men of the type of this venerable and Christian gentleman are almost impossible to replace.

New Police Building

In December of 1933, the limited town meeting voted a bond issue of \$65,000 for a new combination fire and police station. Nothing was heard of the project until late last summer. Then the National Department of Interior through Harold L. Ickes, secretary, announced that the Public Works Administration in accordance with the National Industrial Recovery Act had voted to allocate 30 per cent of the cost of the building to the Town.

Your board, desiring to keep the construction of the build-

ing entirely free from politics and to secure the good offices of persons who might be able to devote more time to the job than they were able to, decided to appoint an advisory board to construct the building, subject to the approval of the Board of Selectmen. They selected Messrs. Arthur D. Hitchings and Paul A. Haley, members of the Saugus High School Building committee; Chief John T. Stuart of the police department; Arthur W. Price of the board of fire engineers, and Mr. Fred C. Smith. The town proceeded to select John W. Beal, of the firm of J. Williams Beal Sons of Boston, as architect, and William E. Thompson of Cliftondale as associate architect. Plans were drawn. When bids were opened, however, it was found that the initial bid was \$70,000, excluding cells, furniture, a contingency fund, and several other items.

Going back to the limited town meeting the board received an additional appropriation of \$25,000, bringing the total to \$90,000. The job is now in progress and is providing many local men with work. We believe that the Town will have reason to be extremely gratified with the structure when completed.

Police Department

During the year, as ordered by the limited town meeting, the board added an additional policeman, Walter F. Neal, to the department. The police force has been functioning extremely well this year under the able direction of Chief John T. Stuart and well commend the citizens and voters to his report printed elsewhere.

Fire Department

During the year the old fire station was moved to the Town Garage lot to make way for the new station. We commend the reader's attention to the report of the Board of Fire Engineers.

Other Appointments

In all ways possible, your board has co-operated with the requests of the Federal government for ERA, CWA, FHA, and other bodies. The board appointed a grievance board to sit for the purpose of sifting complaints within the ERA as re-

quired by executive order from Boston. Sitting are Samuel Parker, Mrs. Blanche Magee, Walter Dyer, Otto F. Persson, and Dr. Mary M. Penny. The board co-operated with the Federal Housing Administration by appointing a lengthy committee to bring in plans for an "Old Home Week" program next July.

In Retrospect

Looking backward, the board feels that it has given of its utmost during the trying year of 1934 to bring to our citizens the finest of its abilities. Where it has failed must be ascribed as due to the frailties of human nature. It has spent over 700 hours in actual deliberation and as many, if not more, in work of all types both inside and outside of the Town Hall. Its ability has been taxed to the limit, its resources to the breaking point, but it has continued unswervingly forward with minds focused upon that object which each member has believed to be for the ultimate good of the town of Saugus and its citizens.

Today the condition of the Town of Saugus is unassailable! Its ERA funds have been administrated so conscientiously that not even the faintest breath of scandal has permeated the atmosphere. It has been the constant aim of your board to do what they believe the people of the town would do under similar circumstances. For our successes we neither ask nor expect any plaudits—for our mistakes we accept whatever rebuke may be justifiable.

HARRY WOODWARD, *Chairman*
GEORGE H. QUARMBY
C. CARROLL CUNNINGHAM

To the Citizens of the Town of Saugus:

While agreeing in the most part with the report written by the Clerk of the Selectmen and signed by the Board, I feel that there are certain incidents which should be called to the attention of our citizens.

I submit to the thinking people of Saugus that no man can be 100% wrong. At some time he must have a streak of in-

telligence which would entitle his ideas to consideration by his colleagues. The record of this Board of Selectmen is substantial proof that a solemn pact was made between my colleagues during the month of February 1934 to refuse to even consider any ideas which I might put forth during my term. In all fairness it should be stated that the Chairman of the Board intends to be fair but results have proven that his judgment is exceedingly poor.

Lack of space forbids a complete analysis of 1934's record but certain flagrant abuses should be brought to light.

The expenditure of thousands of dollars for repairs of broken down machinery and second hand equipment purchased by the present acting head of the Public Works Department is evidence enough to actuate a close observance of the affairs of this department.

An immediate investigation and reorganization of the water department should be undertaken with the end in view of benefiting the Town's finances with a substantial profit from this department.

Purchases made by the Board of Selectmen or their agents should be divided among the several merchants in the Town and the policy of buying from only political henchmen immediately stopped.

Split contracts are still very much in evidence and should be stamped out.

Appointments of any kind should be based primarily on merit rather than political expediency. The wholesale discharge of competent veteran precinct officers merely because of their associations is in my humble opinion a monument to the short-sightedness of the majority members, and shows lack of a moral obligation which our citizens should expect in men elected to the high office of Selectmen.

The camouflaged appointment of an advisory committee for the purpose of building our new combination Fire and Police Station is concrete evidence of the inability of the majority Selectmen to cope with the situation, especially after having been instructed to do so by the Town Meeting.

It is possible to cite many more instances of glaring abuses throughout the year 1934 but these few mentioned should arouse our people to a more active interest in the expenditures of their money and the method of administering their affairs.

Our forgotten policy of street repairs should be revived. A new policy of sidewalk construction should be adopted. The advisability of establishing a municipal crusher to assist in the repair of our accepted and unaccepted streets is a question which well merits our attention.

All sessions of Town Boards should be open to the Public with an opportunity for every citizen to express his opinion on all matters.

In closing let us all decide that Saugus must go forward. How, when, or where is up to our citizens but she must go forward.

Respectfully submitted,

C. CARROLL CUNNINGHAM

Report of the Board of Health

The expenses of this Department \$11461.43 exceeded the sum of the appropriation of \$9000.00 for the year 1934. The difference must be taken care of by the Unpaid Bills. This has been made necessary on account of the increased number of persons that had to be hospitalized that could not pay for themselves. At the present time we have twenty-one patients with tuberculosis. Fourteen in Essex Sanatorium, five in North Reading State Sanatorium and two in Lakeville Sanatorium, also two persons in the Contagious Hospital for which we have to pay \$28.00 per week. It is impossible to forecast what the years expenses will be to run the Department for the coming year, but based on the present hospital charges and the known expenses it will amount to \$14,000.00.

This year the Board advertised for bids for collection of garbage based on a three year period, preference to be given to the bidder that would dispose of the collections out of town. The successful bidder to deposit with the town a surety bond to the amount of one third of the total of the three year contract. The contract was awarded to Henry E. Caswell of Wakefield, the lowest bidder that would dispose of the garbage out of town for the sum of \$2525.00 per year.

DOG CLINIC

There has been a great increase in the number of persons bitten by dogs in this town and there has been some cases of rabies in dogs. The Board of Health decided that for the protection of persons and animals that all dogs should be inoculated against rabies, and therefore we established a clinic last summer from June 30 to July 27 for the inoculation of dogs. All persons presenting their dogs at this Clinic that could pay were charged \$1.00 per dog. Those that could not pay had their dogs inoculated free. The net cost to the town for this Clinic was \$345.79. The inoculation of dogs is a preventative of the spreading of rabies and if another epidemic

of dog biting should occur next summer the Board feels that it would be their duty to operate another clinic.

Respectfully submitted,

HENRY O. WESTENDARP, *Chairman*

RICHARD J. SPENCER, *Secretary*

MYRON H. DAVIS, *Dept. Physician*

Report of Inspector of Milk and Dairies.

To the Board of Health:

I have made frequent examinations of all dairies. Practically all of them are in excellent condition. Samples have been taken from all of the dairies and tests made at the Lynn Board of Health with satisfactory results.

I have issued 107 milk licenses and five pasteurization licenses. Total receipts amounting to \$103.50.

Respectfully submitted,

JOHN W. HITCHINGS,

Inspector.

Report of Inspector of Animals

To the Honorable Board of Selectmen:

As required by the State Department of Animal Industry, I made a careful examination of all dairy animals and the places in which they were kept in January and February. All appeared healthy and kept under proper conditions.

I have inspected and stamped as fit for food at time of slaughtering:

Swine	6
Calf	2

Of the many cases reported to me of persons bitten by dogs only two proved to be positive cases of rabies.

Respectfully submitted,

JOHN W. HITCHINGS,

Inspector.

Report of the Plumbing Inspector

December 31, 1934.

To the Board of Health:

GENTLEMEN:—

In accordance with the requirements of the laws of Massachusetts, relative to plumbers and plumbing, I herewith submit my annual report for the year ending December 31, 1934.

The number of inspections made during the year, will be found in the following table:

Total number of inspections	524
Permits issued for plumbing	82
New buildings	13
Old buildings	69
Cesspools inspected	
New and old buildings	131
Miscellaneous inspections	49
Fees paid to Treasurer for plumbing permits	\$164.

Respectfully submitted,

THOMAS C. SUTHERST,
Plumbing Inspector.

Report of Supervisor of the Dental Clinic

To the Board of Health:

GENTLEMEN:—

I herewith submit my annual report of the Dental Clinic.

Needy children from the first two grades are treated at the clinic.

A small fee of \$.25 is charged for each visit.

Dental certificates were awarded to the children who had their work completed.

A detailed report follows:

Total number of deciduous extractions ...	260
Total number of permanent extractions ..	20

Total number of fillings	179
Total number of prophylactic treatments ..	160
Total number refused treatment	5

Total number of patients 624

Receipts for the year were \$156.00.

Respectfully submitted,

ROGER P. BECKMAN, D.M.D.

December 27, 1934.

Report of Planning Board

The Saugus Planning Board herewith submits their annual report to the citizens of the town.

The board organized on February 6, 1934 with Charles H. L. Kahler as chairman, Alvah L. Rich secretary and Barnet Shapiro, William H. Armstrong and William H. Robinson. On October 1, Mr. Rich resigned and Mr. Robinson was elected to fill the position for the remainder of the year.

The planning board has had a number of hearings on articles pertaining to the Zoning by-laws in the various town meeting warrants and has submitted recommendations as required by law.

We feel that building lines should be established in the business districts of the town with the same ultimate result as has been attained in surrounding communities. Our neighboring city of Melrose has taken care of this problem in such a manner that they will be able to widen main streets without consequent damage to established business property. That this action should have been taken many years ago in Saugus, is best shown by the deplorable conditions existing in Cliftondale Square from Oak Hill Road to Jackson Street and more recently in Saugus Centre from Jasper Street to the junction of Central and Winter Streets. Sooner or later the town will be forced to remedy this situation.

Another situation which should be cared for by the town is found on lower Ballard Street. One of the most travelled streets in the town, we suggest that the town widen, straighten and lower the high crown on this street. With the narrow, winding contour of the road, it is a serious safety hazard and should be improved from Dudley Street to the Salem Turnpike.

We also urge the eradication of all spots along the Saugus River which contain, at the present time, all kinds of dump

fillings. Not only are these places unsightly but in some instances they are composed of materials which are ideal for the breeding of rats and mosquitoes.

The board feels that the mosquito control work be continued, not only on the large marsh area, but in all small places which are sheltered from the sun, thus allowing these spots to remain moist and watery.

We have been successful in securing a number of directional signs from the State Department of Public Works at intersections along the Newburyport turnpike.

We wish to thank the many town departments and officials who have been of great aid to us during the past year.

CHARLES H. L. KAHLER, *Chairman*
WILLIAM H. ARMSTRONG, *Secretary*
ALVAH L. RICH
BARNET SHAPIRO
WILLIAM H. ARMSTRONG

Report of the Board of Appeals

The Board of Appeals herewith submits its report for 1934. The Board met and organized on March 14, 1934, electing Paul A. Haley as chairman and appointing John F. Hunt as clerk.

Since its organization meeting and up to December 31, the Board has heard 29 petitions for variances in the Zoning By-Laws of the town. The petitions, which concerned land in virtually every section of the town, involved 34 hearings and resulted in the granting of variances in the cases of 25 of the petitions and the denial of four petitions.

Members of the Board have also been called upon to meet on numerous occasions besides at hearings, for inspection of the various properties which were involved in the petitions and for discussion of the properties involved.

The Board's decisions have been influenced only by the action which its members felt would be most beneficial to the Town, and by imposing rigid restrictions, it has been able to grant petitions which increased taxable values, but detracted neither from the appearance or well-being of the town, nor from the intent and purpose of the By-Laws.

In every case where a petition was granted, it was granted only after restrictions were imposed which protected the rights of abutters and of the citizens of Saugus. In many cases the Board has been able to enforce improvements on existing property which could be done through no other town agency, and achieve good looking structures where there had formerly been eye-sores and nuisances.

The Board feels that this is one of the most important of its functions; as in the case of the Town Meeting rezoning a plot of land, the owner thereof can use that area as he so desires. If the same matter were to be brought before the Board of Appeals, and a variance granted, such a variance would be

only for a specified purpose, and the buildings would be erected in a substantial manner, and in conformity with nearby structures.

The Board at this time wishes to take the opportunity to thank Mr. John W. White, building inspector; Mr. Herbert P. Mason, town counsel; Chief John T. Stuart of the Police Department; Chief Mellen R. Joy of the Fire Department, and all others who have aided it in its work during the past year.

Respectfully submitted,

PAUL A. HALEY, *Chairman*,
LEWIS P. SANBORN,
CHARLES WILSON.

Associate Members

JOHN T. LYNCH, JR.
HOMER D. KENERSON,
KALER A. PERKINS.

Report of Cemetery Commissioners

The Board of Cemetery Commissioners is pleased to state that under an appropriation of \$6500 made by the last Town Meeting, the gross receipts of the Cemetery have been \$11,204.36 during the past year.

The Perpetual Care Fund has increased nearly as much as the amount collected for that item during 1931, 1932 and 1933. This Fund is continually growing but the income from the same at the reduced rates of interest paid by the banks is not as much this year as it was in 1932.

The Commission has been extremely fortunate this year in the co-operation received from the Selectmen and for their assistance on ERA projects. The Welfare and Public Works Departments have both given all possible assistance. It must be understood that the ERA projects have nothing to do with the regular work of the cemetery, but the labor and material is expended on gutters to save avenues from washing out in heavy rains. Considerable work was put into the new 700 and Catholic Sections. Much work has been done during the past year on new plans and layouts.

A special article is being inserted in the Town Warrant for a new automobile truck. The truck now on hand is some ten years old and the repairs this last year in trying to keep it running have been excessive. A new truck is absolutely necessary and we trust the Town will see fit to so vote.

The Commissioners find that there are only about twenty-five available lots left in the main cemetery, and as fourteen lots were sold last year, it can be readily seen that we only have enough for less than the next two years. In view of this situation, the Commissioners have secured an option on the Monteith land at approximately its present assessed value, and have inserted an article in the Warrant for its purchase. We are simply looking ahead to the time when this additional land will be necessary, and its present purchase would give

the Commissioners an opportunity to fill the sandpit at small expense. It is proposed, if the purchase of this property is approved, to secure gravel free from town projects, or its purchase when opportune at a reasonable rate, and have this additional plot ready for use when needed. It is hoped the Town Meeting members will see this in the same light as the Commissioners, who are simply looking forward rather than waiting until additional land is absolutely needed.

Respectfully submitted,

HENRY A. B. PECKHAM, *Chairman*

WILLIAM E. LUDDEN

BENJAMIN A. FULLERTON

Report of Public Library Trustees

The Trustees of the Saugus Public Library submit their annual report:

There have been no unusual events the past year in the history of the library. The circulation has been a little less than that of the year previous owing, in our opinion, to the small number of new books added.

The functions of the library and of the schools are very closely related and because of our efforts to help the pupils we have not been able to supply the other patrons with many of the recent books.

We hope that with better business conditions a larger sum will be allotted to this department.

We extend our thanks to those who have donated books and magazines.

Childrens books will be greatly appreciated even if the story is old by those who are coming to the age when all stories are new.

Circulation: Saugus Center 51496, Clifftondale 43759, East Saugus 10872, Lynnhurst 3215, North Saugus 1964, Total 111306.

JOHN B. LANG *Chairman*,
JOHN HUSLER,
KALER A. PERKINS,
AUGUSTUS B. TRIPP,
WILLIAM MEAD,
WALTER D. BLOSSOM, *Secretary*.

Report of the Saugus Safety Committee

An appropriation of twenty-five dollars was made for the Saugus Safety Committee at the last Town Meeting and this has all been expended in safety work during the year.

It seems almost too bad to use up a page of the Annual Report to report on this small sum of money. The death record for the past year has been very, very poor, but only one or two deaths have occurred where education along safety lines would have helped, the others having been largely on the Boston and Newburyport Turnpikes.

We are members of the National Safety Council, and the record of Saugus appears in booklets distributed over the entire country.

Any amount of money appropriated could be spent advantageously, and this Committee is doing its best with the sum allotted to it each year.

HENRY A. B. PECKHAM, *Chairman*.

Tax Collector's Report

To the Citizens of Saugus, Mass.:

I herewith submit my fourth annual report as Tax Collector.

Walter A. Wilson, Collector, in Account with the Town of Saugus:

DR.	
To balance of 1931 tax committed September 16, 1931, December 21, 1931, June 13, 1932 and January 1933	\$ 897.72

Accountant's Report

THE TREASURER'S CASH ACCOUNT

The cash on hand December 31, 1934, was verified by me by actual count, and the cash in the bank was verified by reconciliation of the outstanding checks with the book and bank statements, and was further verified by letters received from the banks certifying to the amount to the credit of the town of Saugus at the close of the business, December 31, 1934.

TRUST FUNDS

I have compared the savings bank books in the hands of the Treasurer with the amount called for in the Perpetual Care Fund account as being on deposit December 31, 1934, and the books and the amounts agree.

The George Melvin Wilson Library Fund and the Benjamin Johnson Library Fund accounts were verified by examining the Bonds in the hands of the Treasurer, which are registered bonds, also the savings bank book.

The War Bonus Fund was verified by examining the savings bank book and the book and amount agree.

Respectfully submitted,

EDWARD GIBBS, JR.

Town Accountant.

January 30, 1935.

ANNUAL REPORT

OF THE

SCHOOL COMMITTEE

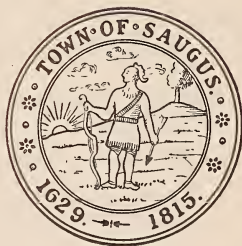

AND

Superintendent of Schools

OF THE

Town of Saugus, Mass.

FOR THE YEAR ENDING DECEMBER 31, 1934

In Memoriam

WHEREAS —

*Almighty God in His infinite plan has called
ARCHIBALD G. COLDWELL to his eternal reward
— and —*

WHEREAS —

*ARCHIBALD G. COLDWELL gave more than a
decade of his life as Principal of the Roby and
Ballard Schools, — and —*

WHEREAS —

His service was honest and faithful —

BE IT HEREBY RESOLVED —

*That the School Committee of the Town of
Saugus, in session this December 20, 1934, gives
thanks for the service of ARCHIBALD G. COLD-
WELL and hereby votes that these resolutions
be spread upon its official records and that a
copy of the same be sent to his bereaved widow.*

REPORT OF THE SCHOOL COMMITTEE

To the Citizens of Saugus:

At a meeting of the School Committee held December 20, 1934, it was voted to accept the Annual Report of the Superintendent of Schools as the report of the School Committee required by the Statutes.

WALDO B. RUSSELL, *Chairman*

Report of the Superintendent of Schools

To the Honorable School Committee and Citizens of Saugus:

It is both the duty and the privilege of the Superintendent of Schools to submit his second annual report for the School Department, the same being the forty-second annual report.

A YEAR OF PROGRESS

The year 1934 has been one of distinct progress for the School Department. It is a pleasure to report that in our school system practically every improvement contemplated and planned for the year 1934 has been accomplished. This has been possible through careful planning, much hard work, and the unstinted cooperation of a loyal and sympathetic School Committee. Many of the improvements accomplished are listed and explained below.

OUR TEACHING FORCE

I have said before that the efficiency of a school system depends upon the efficiency of its teaching staff more than upon any other single factor. We are indeed fortunate in Saugus in that we have an excellent corps of trained teachers. They have, almost to a teacher, cooperated in every particular. May I take this opportunity to express my appreciation for their loyalty and devotion to duty. The principals of the various buildings have been particularly cooperative and exceptionally efficient in the handling of their executive problems. My faith in their ability to be real executives has been proven beyond the shadow of a doubt.

On the whole we have had few changes in our teaching personnel during the year 1934. Five teachers resigned to be married and one, Mr. Archibald Coldwell, Principal of the Ballard School, was taken by death. All the vacancies thus caused were filled by competent and well qualified teachers. We thus only lost six teachers out of a corps numbering 103.

This is a teacher-turnover of approximately 5% which is certainly not more than normal. I only hope that we can keep our teacher-turnover at such a normal figure in the years to come.

OUR TEXT BOOK PROGRAM

School children are entitled to as good tools of education as is the carpenter to good tools for his workmanship. With this in mind we evolved a systematic program of text book replacement in April 1933. Since that time, or in approximately one year and a half, we have replaced 5,662 worn and out of date text books with modern up to date tools of education. Included in this program are many new basal installations. Grades I through IV in all schools have been equipped with the Elson-Gray basal readers. Grades III, IV, VII, and VIII in all schools have been equipped with the Triangle Arithmetic series. Grade IV in all schools has been equipped with the Atwood-Thomas Geography series. Grade VIII has been equipped throughout with new history books. This year, 1935, we will complete our reading text book replacement program by equipping Grades V and VI with the Elson-Gray readers. All six grades will then be equipped and our program in this respect completed. We also plan to equip Grades V and VI with the Triangle Arithmetic series which will complete our arithmetic program from Grades III to VIII inclusive. We also plan to equip Grades V and VI with the Atwood-Thomas Geography series which will only leave Grade VII to be completed in 1936. Many supplementary readers and other correlative text books have also been added with a view to giving our Saugus boys and girls the best in text books obtainable. Text books in the Senior and Junior High Schools have also been replaced to good advantage.

It will thus be seen that we have followed a scientific book replacement program which will insure our school children text books second to none among our neighboring school systems.

IMPROVEMENT OF SCHOOL BUILDINGS

We were one of the first school departments in the State to take advantage of the opportunity of improving our school

buildings under the Federal C.W.A. and E.R.A. programs. We started in November 1933 and, by securing the jump, succeeded in completing a program which I believe has not been matched by any other school department.

May I list what we have been able to accomplish in this respect:

- (1) Fourteen (14) school buildings painted two coats on exterior.
- (2) Thirteen (13) school buildings painted two coats on interior.
- (3) Thirteen (13) school buildings varnished throughout on interior.
- (4) Three thousand (3000) pupils' desks refinished.
- (5) Floors in two buildings cleaned and scoured throughout.

The above work could not have been accomplished out of ordinary school repair budgets short of a 10 year period. The cost to the citizens of Saugus in direct taxation would most certainly have approached a considerable sum. Under this program the cost to the Town of Saugus for the entire improvements listed above has been materially under \$2000.

IMPROVEMENT OF SCHOOL GROUNDS

Nothing does more to enhance the appearance of school buildings than attractive school grounds. In the past our school grounds have been anything but attractive. Attractive school grounds mean much to children, much to citizens, and even more to the general appearance of the community.

Under an E.R.A. Federal project we have sought to beautify our school grounds and at the same time eliminate all danger hazards to our school children. Statistics show that school areas in front of school buildings are always hazardous. They increase the danger of accident by providing the opportunity for children to run from the grounds directly into heavily travelled main arteries. In beautifying our school grounds we have simultaneously eliminated these danger hazards by land-

scaping the front areas and improved the back areas for recreation and play purposes. Lawns, shrubbery, evergreens, and walks now lend an attractive appearance to our school buildings. The consequent improvement must be apparent to every citizen. The cost to the town has been negligible since all of the loam has come from the High School grounds without any expense for purchase.

Eight school grounds have already been completed. They are the High School, Felton School, Sweetser School, Cliftondale School, Roby School, Lynnhurst School, Old Roby School, and the Emerson School. The North Saugus School and the Armitage School are now receiving our attention. The grounds of the remaining three, namely the Ballard, Mansfield, and Oaklandvale, will be taken in order.

At the High School a parking area for fifty automobiles has been completed. All automobiles will in the future be parked in this area thus eliminating the dangers caused by parking on Winter, Central, and the various side streets.

I am deeply grateful to the present E.R.A. Administrator, Mr. Paul J. Hayes and to former Administrator, Mr. Carl Chapman for all the kind and willing cooperation they have given to the School Department in connection with all of our C.W.A. and E.R.A. undertakings. They certainly have been truly cooperative. May I also express my appreciation to the entire Board of Selectmen and to Mr. Dexter Pratt, Superintendent of Public Works, for the able assistance they have given.

The results are my source of satisfaction for the effort and extra energy I have personally expended.

ECONOMY OF OPERATION

The Total school appropriation for the year 1934 amounted to \$203,175. Of this amount \$202,000 constituted the general appropriation, \$1000 was for schoolhouse repairs and \$175. for special schoolhouse repairs. This latter sum was transferred to us from the reserve fund of the Finance Committee.

This year, as in 1933, the School Department will finish within its appropriation. When one considers that the school

appropriation in 1931 was \$224,683 against \$203,175 in 1934 it can readily be seen that the School Department has expended its appropriation judiciously and wisely. Much of our success has been due to the installation of intelligent business methods in the purchasing and distribution of school supplies. Purchases have been made in quantity thus giving us the benefit of much lower prices. The distribution of supplies has been, as last year, upon requisition from a central supply storeroom.

We were also extremely fortunate in the purchase of fuel. The School Department has a contract with the Metropolitan Coal Company of Boston, in effect until May 1, 1935, whereby bituminous coal is purchased at \$6.75 per ton and anthracite coal at \$11.95 per ton. This is coal of first grade quality delivered in our bins at the above prices. I am of the opinion that a comparison of prices paid by other school departments will show that the Saugus School Committee obtained an exceedingly favorable contract. This excellent bargain becomes all the more significant to taxpayers when it is pointed out that our school buildings consume approximately 600 tons of soft coal yearly as well as nearly 200 tons of hard coal.

The new Junior High School is heated by fuel oil. This is purchased on contract from the Colonial Beacon Oil Company of Boston.

I can assure all citizens that the School Department has affected an economy of operation designed to give the Town one hundred cents for every dollar expended.

NEW CAFETERIA

The new cafeteria at the Central Senior and Junior High School will be placed in operation January 2, 1935. It is of first class construction and a credit to the Saugus High School Addition Building Committee which committee had charge of its installation.

This cafeteria marks a forward step in our school system since it will now be possible to serve hot lunches to our students. Such lunches are an absolute necessity and they can now be served under the most cleanly conditions.

An additional appropriation for the purchase of tables, chairs, dishes, and silverware must be requested of the coming

annual Town Meeting. The Saugus High School Addition Building Committee has no more funds for this necessary expenditure. The requested appropriation will not be large. With this appropriation the cafeteria will be completed.

REST ROOM FOR GIRLS

The Central Senior and Junior High School Building is now equipped with an up to date modern rest room for girls. There are between six and seven hundred girls housed in this school plant and it can readily be seen that such a rest room is highly desirable. The room is in the new building. It is comfortably and attractively furnished and has proven its value more than once during the year 1934. The total cost of furnishing it completely was under \$100.00. It is worth the investment many times over.

First aid equipment will shortly be placed in the room.

REPAIR BUDGET

It is of course absurd to expect the School Committee to keep its schoolhouses in proper repair on a Schoolhouse Repair Budget of \$1000 per year. This amount constituted the Schoolhouse Repair Budget for the year 1934.

Saugus has school property which could not be replaced short of \$1,000,000. To expect a School Committee to keep a \$1,000,000 worth of property in repair with an appropriation of \$1000 per year is unreasonable.

A citizen with a \$7000 home would most certainly expend at least \$50 per year on the upkeep of his property. Even at this low ratio the School Committee would require an appropriation of \$7000 per year to care for \$1,000,000 worth of property.

One little realizes that there are constant repairs in schoolhouses which must be cared for in the interest of health, safety and the comfort of the children attending our schools. We have 14 school buildings and many of them are buildings of good proportions. Boilers must be kept in repair and this item alone runs into money. There are thousands of other physical features of school buildings which must be kept in repair. It

is not true economy to pinch on repairs and make yourself believe you are saving money. Delay means only a greater expenditure of money when the day of reckoning arrives.

The School Department should have an annual appropriation of \$7000 for Schoolhouse Repairs. This would be only at the ratio of \$7.00 for each \$1000 worth of property.

CHADWICK CLINIC RE-EXAMINATION

This year the physicians from the State Department of Public Health conducting the Chadwick Clinic re-examined 62 of our school children who showed symptoms of tuberculosis when examined last year.

I have received their report and am pleased to report that each of the 62 children showed improvement.

SCHOLARSHIP STANDING OF OUR SCHOOLS

I am very proud of the scholastic standing of our Saugus Public Schools. In 1934 our High School was again rated as a Class A High School by the State Department of Education.

In 1934 the privilege of certifying our graduates to some fourteen leading colleges which are members of the New England College Entrance Certificate Board was renewed for four years or until 1938. Four year renewals are only granted to High Schools whose scholastic standing is unquestionable. This is proof positive that our school system is functioning efficiently.

It might also be interesting to note in passing that our elementary school children frequently are placed in a grade higher when they transfer to schools in other communities.

OPEN HOUSE NIGHT

The School Committee sponsored an Open House Night during Education Week this year. Every school building in town was opened for public inspection by our townspeople. Six of our buildings were lighted on the exterior by floodlights. The response of the people was indeed gratifying. Nearly 4000 persons visited the various schools throughout the town. The citizens were given the opportunity of viewing the C.W.A.

and E.R.A. improvements as well as the opportunity of meeting the teachers of their children.

May I extend my appreciation to the School Committee for their cooperation in helping make the Open House Night the success that it was. Also my thanks to the General Electric Company of Lynn for the loan of the floodlights and to the Lynn Gas and Electric Company for the loan of wire.

THE SCHOOL COMMITTEE

It has been a pleasure to work with this present School Committee. I would be sadly lacking in gratitude did I not mention the loyal cooperation they have given me as Superintendent of Schools. They serve without pay and give liberally of their time and talents. I have never in all my experience seen a committee so keenly interested in the welfare of our boys and girls. They have given me loyal support and their confidence in me has made my work a pleasure. Political considerations have not interested them and on all occasions they have thought only of the success of our school system.

To them belongs much of the credit for the strides we have made in bettering our school system. They have allowed me to really be a Superintendent of Schools. They have backed me to the limit and stood solidly behind my recommendations and policies. A Superintendent of Schools can accomplish much with such a School Committee.

One can not fortell the future. I do not know how long I shall remain as Superintendent of Schools in this town of my birth. I am certain of this however. Whether here or elsewhere I may work with as good a School Committee, but never with a better one.

The citizens of Saugus have a right to be proud of their School Committee.

PARENT TEACHER ASSOCIATIONS

The Parent Teacher Associations have been helpful at all times during the year 1934. They have aided individual children by providing much needed clothing. They have purchased various equipment for the schools. They have cooperated in

all school affairs to the benefit of our school system. I feel deeply indebted to them for their thoughtfulness and for their genuine interest in the schools and what they stand for. These organizations have been a credit to their officers and their members.

RECOMMENDATIONS FOR 1935.

I make the following specific recommendations for the year 1935.

(a) The appointment of a special teacher to relieve the Elementary School Principals thus giving them an opportunity to more closely supervise their teachers. This teacher to work on a regular schedule thus relieving each Principal equally during the school year.

(b) The removal of all existing toilets and urinals in the Roby and Old Roby Schools and the replacing of same with new material throughout. The present toilets and urinals are not sanitary.

(c) The whitening of ceilings in school buildings throughout the town. Dirty ceilings reflect poor light and at the same time mar the appearance of a classroom.

(d) The unfinished area beneath the assembly hall of the Sweetser School should be excavated and made into suitable basement space. The children in this school have no decent place to remain in doors and exercise or eat during the winter months.

(e) The establishment of suitable school libraries in each of our school buildings. This can be done over a reasonable period of time and the cost will not be prohibitive. Every school should have its own individual school library.

(f) Replacement of all curtans in both the Sweetser School and the Cliftondale School. The present curtains have outlived their usefulness and should be scrapped.

(g) Changing of the existing State law governing tuition cases so that a community may collect tuition for the educating of children whose parents clearly maintain no local residence.

In closing may I thank each and every person who has in any way assisted me. I have worked hard and conscientiously. The position demands much of a man's mentality, vitality, and physical strength. I have given freely of each without regard for self. To accomplish anything worth while means hard work. There is still more work to do.

Edgar A. Guest, the poet, perhaps best expresses this thought:

“The man who wants a garden fair,
Or small or very big,
With flowers growing here and there,
Must bend his back and dig.
The things are mighty few on earth
That wishes can attain.
Whate'er we want of any worth
We've got to work to gain.

Respectfully submitted,

VERNON W. EVANS,

Superintendent of Schools.

Saugus, December 19, 1934.

December 15, 1934.

Report of School Physicians

*Mr. Vernon W. Evans, Superintendent of Schools,
Saugus, Mass.*

DEAR MR. EVANS:—

Herein I submit my annual report as school physician. Sanitary conditions in and about the school buildings are quite satisfactory. The schools under my supervision have been free from disease of a serious nature. Vaccines and other preventative measures including diptheria toxoid have reduced the incidence of communicable diseases to almost the vanishing point. The intensive drive in tuberculosis prevention as now carried on by The State promises to reduce the incidence of tuberculosis as completely as diptheria toxoid reduced diptheria.

Again I wish to commend the spirit of cooperation between teachers and school nurse who by constant vigilance have recognized problems in their incipency and have dealt with them promptly thereby reducing the spread of disease to a minimum.

Following is a list of defects found in the following schools during the routine annual examination:

NORTH SAUGUS

Enlarged tonsils	2	Enlarged glands	1
Slightly enlarged tonsils	10	Adenoids and tonsils	5

OAKLANDVALE

Enlarged tonsils	4	Pediculosis	1
Slightly enlarged tonsils	10	Adenoids and tonsils	2

ROBY

Enlarged tonsils	8	Adenoids and tonsils	8
Slightly enlarged tonsils	22	Pediculosis	3
Enlarged cervical glands	3	Deflected septum	3

CENTRAL JUNIOR HIGH

Enlarged tonsils	22	Pediculosis	3
Slightly enlarged tonsils	56	Deflected septum	9
Enlarged glands	2	Curvature of spine	1
Adenoids and tonsils	8		

Diphtheria toxoid was given to 291 children in the grades.

Respectfully submitted,

MYRON H. DAVIS, M.D.

December 15th, 1934.

*Mr. Vernon W. Evans, Superintendent of Schools,
Saugus, Massachusetts.*

DEAR MR. EVANS:—

Herewith I submit my annual report as school physician.

I have examined all pupils at the Lynnhurst, Emerson, Ballard and Mansfield Schools.

The following is a list of defects found in the schools under my supervision:—

BALLARD

Enlarged Tonsils	38		
Slightly Enlarged Tonsils	20	Cervical Glands	15

EMERSON

Enlarged Tonsils	11	Cervical Glands	11
Slightly Enlarged Tonsils	14	Pediculoses	1
Heart Defects	2	Adenoids and Tonsils	2

LYNNHURST

Enlarged Tonsils	12	Cervical Glands	4
Slightly Enlarged Tonsils	9	Adenoids and Tonsils	1
Heart Defects	2		

MANSFIELD

Enlarged Tonsils	12	Adenoids and Tonsils	9
Slightly Enlarged Tonsils	12	Cervical Glands	2
Heart Defects	2		

The Sanitary Conditions in and about the schools are satisfactory except the Mansfield, where quite frequently there is an odor of coal-gas.

The Pre-School Clinic was held this year, as usual. One hundred and seventy eight children were examined, and on Physical Examination in September many of the defects found in the June Clinic had been corrected.

I wish to thank the physicians, nurses, and Club Women for their efficient help; and the school authorities for their co-operation.

Respectfully submitted,

MARY M. PENNY, M.D.

December 17, 1934

*Mr. Vernon W. Evans, Superintendent of Schools,
Saugus, Massachusetts.*

DEAR SIR:—

I herewith submit my report as school physician for 1934.

The following defects were found in the High School students after examining some few less than nine hundred.

Enlarged tonsils	82	Curvature of spine	3
Slightly enlarged tonsils	160	Deflected septum	2
Palpable Cervical glands	38	Adenoids and tonsils	12
Heart defects	11		

I believe the hygienic conditions in general are improved over last year, and good considering the present social and economic conditions.

Respectfully submitted,

JAMES A. CLARK, M.D.

*Mr. Vernon W. Evans, Superintendent of Schools,
Saugus, Massachusetts.*

DEAR SIR:—

Herewith I submit my annual report for the year 1934.

After careful examination of the pupils in the Armitage, Cliftondale, Felton and Sweetser schools the following defects were noted:

Slightly enlarged tonsils	438	Pediculosis	5
Enlarged tonsils	123	Impetigo	1
Adenoids and tonsils	2	Deflected septum	1

The sanitary conditions in the above schools are good except for the boys basement at the Sweetser, which appears to be unchanged from last year.

Respectfully submitted,

LEROY C. FURBUSH, M.D.

Report of Attendance Officer

*Mr. Vernon W. Evans, Superintendent of Schools,
Saugus, Massachusetts.*

DEAR MR. EVANS:—

I herewith submit my annual report as Attendance Officer for the year 1934.

I have investigated many cases of non-attendance and found most of them due to the following reasons:

1. Lack of suitable clothing and shoes.
2. Parent unemployed or on part time employment making the pay impossible for him to keep children suitably clothed.

In several cases teachers have cooperated and supplied shoes and clothing.

I am pleased to report that there have been very few cases where drastic measures had to be used and the child placed in a training school.

Respectfully submitted,

GEORGE A. TWEEDY,
Attendance Officer.

Report of High School Principal

December 17, 1934

*Mr. Vernon W. Evans, Superintendent of Schools,
Saugus, Massachusetts.*

DEAR MR. EVANS:—

I herewith submit to you my second annual report as Principal of the Saugus High School.

IMPROVEMENTS IN THE BUILDING AND GROUNDS

During the year 1934 our building and grounds have undergone a remarkable transformation. The projects of painting and landscaping which had been started in the late months of 1933 were carried through to a most successful termination. One can hardly realize the vast amount of work which has been done at the High School. So that the townspeople may know the full extent of the improvements I shall describe them in some detail.

The painting of the building both exterior and interior to conform with the Junior High School addition was accomplished early in the year with no interference to class room work. While those projects were being completed, carpenters and finishers reconditioned approximately 850 pupils and

teachers desks. This work was not the superficial repairing frequently seen but a most thorough scraping and revarnishing job. About the grounds other groups of men removed the loam from the play areas, leveled the vacant lot on East Denver Street to make it suitable for parking cars, and covered the whole with finely crushed stone. These worthwhile projects were carried out through the C.W.A.

From local appropriations the lawns on either side of the main entrances have been reseeded and inclosed by hedges. Close to the front of the building sixty little evergreen trees have replaced the old unsightly shrubbery. Borders of white calcimined stones set off the new lawns and also keep the absent minded motorist from wandering on the grass. Every visitor to the school has spoken of the splendid appearance.

In addition there are three improvements which affect the administration of the school; first, the rearrangement of the Principal's office; second, the furnishing of a sick room for pupils; and third, the opening of the new cafeteria. With the combined Junior and Senior High School the office now cares for all the detail of approximately 1400 pupils and teachers. This mass of work is most efficiently handled by my secretary, Miss McLernon, with the able assistance of several senior girls whose services are voluntary. The steel filing cabinet counter, which was recently installed, has permitted several important changes to be made in the office routine. A closer check on discipline and attendance is now possible. The private office has proved to be of distinct benefit particularly for personal interviews with parents.

By converting the office of the Junior High School Addition into a sick room a suitable place was obtained for sick pupils. The purchase of two beds, a table, a bureau, dresser, and curtains has made an attractive and homelike place to detain pupils until they may return home. It is our policy to take the pupil either to a doctor or to his home rather than to have him remain long in school. This plan, while giving the pupil better care offers less chance for the spread of contagious diseases in the school. The sick room has been placed in charge of Miss Mabel Willey who in addition to being a capable teacher is also a graduate nurse.

The new cafeteria will be opened in the near future. Until tables and chairs have been purchased it will hardly function as planned. With the installation of that equipment, however, there is every indication that the cafeteria will be adequate for our present registration. In the basement of the old building there is sufficient room for the pupils who bring lunches from home. With the removal of the wooden counter there will be an opportunity to erect tables and benches. The new cafeteria will offer hot dishes and a regular dinner at a minimum charge. The cost of the cafeteria equipment is included in the appropriation for the Junior High School Addition.

INCREASED REGISTRATION

The anticipated growth in our registration did not materialize in 1933 but was postponed by the depression. This fall our total was 903 as compared with 866 the preceding year. In normal times it is evident that the return of people to urban centers will mean an increase in the population of Saugus and a resulting larger enrollment in school. The change in compulsory school age from 14 to 16 will also add many pupils who previously have left at the younger age. We are now using nearly all the classrooms every period and in addition have turned the assembly hall into a study room. We shall probably be able to absorb the growth in 1935 and possibly in 1936 unless it is unusually large. After that we must either have more room or return to the two platoon system. Experience has proven the disadvantages of that system and yet we now have in the old senior high school building alone more pupils than in 1929 when it was considered necessary to have morning and afternoon sessions. There is a limit to the enrollment which can be handled in our present building and that limit has almost been reached.

TEACHERS AND SCHOLARSHIP

We were fortunate in opening school this fall with only one change in our faculty. For some time it has been the policy to employ for substitute work residents of Saugus who are qualified to become teachers. The value of this plan was evident when three of our faculty resigned. Their places were

adequately filled by people who had done enough substitute work to know the routine of our system and to have stood the acid test of class room teaching. Under this method of selection there is no hasty consideration of a candidate's fitness for the work or the usual question as to one's discipline. Provided a local candidate meets the requirements it is only fair to the townspeople to give that person the preference. In fairness to our pupils we could hardly recommend a local candidate without all the necessary qualifications of education, personality and character.

The faculty of our high school compares favorably with that found in other schools. Our teachers as a whole are industrious, cooperative, and enthusiastic about their work. We are fortunate to keep such a fine corps almost intact from year to year. Each teacher is busy every minute in the day either with class instruction or with study groups. The only exceptions are the heads of departments who have a free period each day for supervision. All teachers carry heavy programs. It is a pleasure to have such a group of excellent workers.

During the past year the New England College Entrance Board renewed the certificate of the high school for another four years. This means that the graduates of our school who are now in college have maintained grades to justify the approval of this school which gave the preparation for college. By the certificate method of admission, any pupil who obtains "B" or better in the high school subjects required for college may enter, without examination, institutions which accept pupils by this method. The granting of this certificate is a good indication that the college preparatory work at Saugus is of high grade. The Massachusetts Department of Education has also rated our school as Grade A.

This last June the only Saugus graduate to take the College Entrance Examination Board examinations successfully passed four and was admitted to Harvard College. This is conclusive proof that the teachers of Saugus High School can prepare pupils for the Board Examinations. Pupils who really want to enter college can do so directly from this school without additional preparatory school training.

SUGGESTED REPAIRS FOR 1935

(1) Steel treads n the stairways in the old building. The old maple treads are badly worn and very noisy. Their surface is so uneven that one's footing is none too good.

(2) Additional radiation in the Assembly Hall and Mechanical Drawing room. Frequently these rooms are too cold to be used during extreme weather. The main line could easily be tapped for more radiation.

(3) New chairs and floor boards for the assembly hall. The chairs under constant use are beginning to fall apart. New ones should replace the weakest. The building inspector has suggested new floor boards for the chairs.

(4) Gates in the corridor near the assembly hall. These are needed to shut off the rest of the building when the assembly hall is used for night meetings. To leave the entire building open to any curious visitor is doubtful procedure.

(5) New locks and door checks on the exit doors and smoke doors in the old building. The outside door locks are so bad that at times it is impossible to enter or leave immediately. Such a condition is particularly dangerous in case of fire. Not all the smoke doors are supplied with checks. This situation should be remedied at once.

(6) The removal of a large bush in the play area near Central Street. It has long ago lost its beauty and it shuts off the view of any person driving out of the school yard.

(7) New lights in the Mechanical Drawing room. The place now used was not intended for this work. The lighting consists of extensions on the old fixtures. Indirect lighting should be substituted.

In closing I wish to thank Mr. Evans and the School Committee for the cooperation and the confidence shown us at the High School.

Respectfully yours,

EARLE H. MACLEOD

Report of Art Supervisor

332 Lincoln Avenue,
Cliftondale, Massachusetts.

*Mr. Vernon Evans, Superintendent of Schools,
Saugus, Massachusetts.*

DEAR SIR:—

I am pleased to offer my annual report as teacher of Art in the public schools of Saugus.

My teaching schedule is as follows: Two days each week are spent with the twelve classes of the Central Junior High School. One day each week is with the five classes of the Sweetser Junior High School. The fifty-six grade classes of the town are visited once each month.

The work in the grades is carried out with the cooperation of the individual grade teacher.

Monthly outlines are planned to form an integrated program, as far as is possible. This intergration has been greatly aided, this past year, by the systematization of courses of study in each subject for the grades.

An exhibition of work, completed in the Junior High School classes of Saugus, which demonstrated the use of art in conjunction with other subject matter, was displayed at the annual conference of Art Supervisors at the Massachusetts School of Art last January.

Various community organizations have offered competitive poster awards to the Junior High school classes.

This past year several bronze and silver medals were awarded to grade pupils for posters made in observance of "Be Kind to Animal Week" by the Massachusetts Society for the Prevention of Cruelty to Animals.

Some assistance has been given pupils of the senior high school in art problems, but, at present, time does not allow any definite allotment of periods for this work.

I wish to express my appreciation to the teachers who on their own initiative exhibited work completed in the art classes for "Open House Night" which was held Education Week.

I offer sincere gratitude to each member of the School Board, to you Mr. Evans, and to each principal and teacher of the School Department, for assistance and cooperation.

Most Respectfully,

ANSTRICE CARTER KELLOGG

Report of Music Supervisor

December 17, 1934.

*Mr. Vernon Evans, Supt. of Schools,
Saugus, Mass.*

DEAR MR. EVANS:—

I herewith submit my report as Supervisor of Music in the Public Schools of Saugus, Mass.

Music is one of the most valuable subjects in the school curriculum, and the influence of it in the lives of both children and adults, is more potent than that of almost any other educational activity.

Music affects human beings favorably, both in their intellectual, and emotional lives.

Because of its power to "tone up" both mind and body, its beneficial effect in causing increased quickness of perception, its power to socialize, its possibilities in preparing one for a worthy use of leisure time, and above all, because of its influence in causing an immeasurable increase in human happiness for all, music has come to be more and more commonly regarded as an indispensable subject in all types of schools: and a larger and larger place is being accorded it.

AIMS AND PURPOSES

The aims and purposes of music instruction in the public schools are as follows:

1. To develop a love for good music.
2. To develop a pleasant tone.
3. To teach the reading of music at sight.
4. To encourage individual and group singing.
5. To develop team work.

GRADE SCHOOLS

An outline of the work to be covered, is given each grade teacher every two months. My present program calls for one visit every four weeks to these classes. This is very unsatisfactory, as you may well guess, but under present conditions it can not be remedied.

There are orchestras, though very few pupils in each, at the following grade school buildings—Armitage, Felton, and Roby. Weekly rehearsals are held, under my direction, or that of a grade teacher.

There are several harmonica groups, among the grade school children, to which I give as much time as I can possibly spare. The Roby and Armitage have the larger groups, which I visit once a week.

Last year several programs were presented by the grade school children in the form of Minstrel Shows, Operettas, etc. At present quite a number of these programs are being arranged for presentation in the very near future. This requires a great deal of work and rehearsing, but considering the pleasure the children derive, as well as an opportunity to develop unusual talent, it is most certainly worth the effort.

JUNIOR HIGH

Music in the Junior High is limited to one period a week. This is not sufficient to accomplish anything worthwhile. At least two periods for each division, should be the schedule.

A simplified arrangement of Pinafore—by Gilbert and Sullivan is being rehearsed by members of the Central Junior High, to be presented in February.

The orchestra at the Central Junior—Senior High School, is comprised of members of both schools numbering 40. Weekly rehearsals are held. As in past years, this organization is called upon to furnish music for a great many school as well as social functions.

At the Sweetser School, a small orchestra, rehearses once a week.

BAND

Having lost several of its members, who graduated, or joined the football squad, there was not a sufficient number, in the band, to warrant public appearances.

I hope that the time is not far distant, when class lessons in instruments as well as an Instrumental Supervisor, will be part of the music program, for the school children of Saugus.

In conclusion, I wish to thank you, Mr. Evans who have shown deep interest at all times, and aided me very much in my work, also the School Committee and teachers for their splendid co-operation during the year.

Respectfully submitted,

GERTRUDE K. HICKEY,
Music Supervisor.

Report of Mechanical Drawing Department

*Mr. Vernon W. Evans, Superintendent of Schools,
Saugus, Mass.*

DEAR SIR:—

I herewith submit my annual report of the Mechanical Drawing Department.

The past year has been a very successful one, judging by the enrollment of about 150 students, who have elected Mechanical Drawing as an extra curricular subject.

Mechanical Drawing is not included in any of the so called regular courses, but it's elective in every one.

It has been a source of encouragement to me, to have met and talked with the large number of parents, who have taken the opportunity to visit our Drawing Room, on the several occasions, when it has been open for inspection. Many of the visitors have expressed surprise at the work completed by the pupils, which includes, inking of drawings, tracings, and the making of blue prints, which we do at the school. We have had as many as 90 visitors in one evening and I know they have been well repaid for their trouble to visit with me.

This year was the first time that I have had any pupils compete in a drawing contest, and was very much pleased that we were able to place in the Nation wide contest. The report which follows is a quotation from the Saugus¹ Herald, Saugus, Mass., Friday, May 4th, 1934. "Among the many high school students throughout the United States who received word this week that they had won cash prizes, or scholarships in the annual contest in literature, crafts and the visual arts which was conducted this spring by "Scholastic," national high school magazine, was Mitchel Dardzinski, member of the junior class of Saugus High School. Young Dardzinski was awarded fourth place in the intermediate mechanical drawing class, and won a five dollar prize. He was also honored by having his drawing placed on exhibition under the auspices of the magazine in an exhibit in the Carnegie Institute, Pittsburg. Later the exhibit will tour the principal cities of the country under the direction of the American Federation of Arts. The drawings of the winners are now appearing in the magazine throughout the country.

Dardzinski, who is studying Mechanical Drawing under Paul Bund of the High School faculty, competed against 30,000 students from over 2500 different high schools in the country. Principal Earle MacLeod called a special assembly this morning when he presented the prize to Dardzinski, and praised him for his fine work."

The greatest handicap which we have in our department is the proper lighting, and many of the visitors have expressed their opinion that they felt that the work we were doing required a better lighted room than we now have, and I hope that new lights can be installed soon.

In closing I wish to thank Mr. Evans, and members of the School Committee for their cooperation and interest shown during the year.

Respectfully submitted,

PAUL BUND.

Report of School Nurse

*Mr. Vernon W. Evans, Superintendent of Schools,
Saugus, Massachusetts.*

DEAR MR. EVANS:

I herewith submit my annual report as school nurse for the year ending December 31, 1934.

Number of visits to schools, 621; home visits, 273; exclusions for pediculosis, 53. All pediculosis cases followed up, all cases returned. There has been a constantly decreasing number of pediculosis cases each year, the percentage for the past year being only 2% of the total registration, and at the present time many of our schools are 100% free from pediculosis. In addition to home visits for pediculosis the home visits for other cases were as follows: sore throat, 9; scarlet fever, 3; impetigo, 11; chicken pox, 18; colds, 17; skin condition, 7; mumps, 4; heart, 3; headache, 5; rash, 4; measles, 18; enlarged tonsils, 21; poison ivy, 7; sick stomach, 7; toothache, 9; whooping cough, 11; grippe, 7; unclean, 12; sickness in family, 9; truancy, 4; home to help mother, 8; not at home, 11; no shoes, 6; Chadwick Clinic, 16; tonsilitis, 9, nervousness, 6; scabies, 3; defective vision, 5; underweight, 19; mentality, 4; enlarged glands, 3.

I assisted the school doctors as usual in the annual physical examination of all children in the grades, Junior High and High Schools. This work extended through September, October, November and December and approximately 3442 children were examined.

The follow-up work of the Chadwick Clinic consisted of 68 children being X-rayed and examined by Dr. Reddy of the Chadwick Clinic. Dr. Reddy and Miss Weatherbee, the nutrition worker for the Clinic, were very much pleased with the response of the parents attending the examinations.

The usual precautions have been taken in caring for contagious diseases. When a disease is reported and symptoms found, the child is referred to the school physician and excluded from school if necessary.

Dental Clinic is conducted every Tuesday and Thursday

morning in the Cliftondale School, at which I assist Dr. Beckman, the school dentist.

Health tags were offered as usual by the Massachusetts Department of Public Health for Child Health day, for teeth, normal weight and posture. In addition, children who earned all three tags were awarded badges through the kindness of the School Committee. There were 382 badges awarded.

Protective vaccination for diphtheria was given to 291 children by Dr. Davis. The parents appreciate the value of this work, as shown by cooperation.

The children in the grade schools have been weighed and measured four times during the school year. Approximately 1905 children were weighed and measured, of which number 162 were found to be 10% underweight and 49 were 15% underweight.

In the Junior High Schools 649 children were weighed and measured, of which number 89 were 10% underweight and 79 were 15% underweight.

Miss Griffin, the physical training teacher, has done a large part of the work of weighing and measuring the children during the time that I was assisting the school physicians in the physical examinations.

In closing may I express my appreciation to you, Mr. Evans, the School Committee, the school physicians and the teachers, for the encouragement and cooperation I have received in my work.

Respectfully submitted,

MARY E. DONOVAN, R.N.

Report of Supervisor of Physical Education

*Mr. Vernon W. Evans, Superintendent of Schools,
Saugus, Massachusetts.*

DEAR SIR:

I herewith submit the annual report of Physical Education in the Elementary Schools of Saugus.

A visit is made to each school every two weeks. Outlines of the work to be covered are given to all teachers the first of each month, at which time the work is presented by me.

The following is a resume of my work which is carried on in the schools. In grades I, II, III, the work is presented and carried on in a spirit of play and make-believe, enlisting their imagination and natural desire to express their ideas in terms of representation movements. These consist of rhythm training, story plays, dances and games. The chief things we aim for are vigorous exercise and reality of the make-believe.

After the age of ten or thereabouts, gymnastic work is carried on more extensively. The work is made increasingly interesting in so far as it cultivates and gives expression to group consciousness, through strong and well adjusted group action. This phase of work is carried on in the IV, V, and VI grades.

During the baseball season a tournament was arranged among all the fifth and sixth grades. The trophy which was awarded by the Playground Commissioners was won by the sixth grade at the Sweester School. Also a cup awarded by Dr. Mary Penny was presented to the fifth grade of the Lynnhurst School. Keen competition was in evidence throughout the games. At this time, I wish to thank Mr. Leon Young for his helpfulness by providing boys for umpires.

As in the past I assist Mrs. Donovan, the school nurse, in weighing and measuring the children at the end of each term.

Each month a close check-up was made of the children from the Chadwick Clinic by Mrs. Donovan and myself.

For the assistance which the grade teachers have so willingly offered, the interest of the School Committee and the encouragement from you, Mr. Evans, I am most appreciative.

Respectfully submitted,

CATHERINE R. GRIFFIN,
Supervisor of Physical Education

Report of Opportunity Class

*Mr. Vernon W. Evans. Superintendent of Schools,
Saugus, Mass.*

DEAR SIR:

I hereby submit my annual report as Opportunity Class teacher in Saugus.

Since the first Opportunity Class was organized six years ago the enrollment has been growing steadily larger.

This year both classes reached the maximum with an enrollment of thirty-six pupils or eighteen in each class.

Since the primary purpose of this class is to give individual help and special attention to each pupil, it must necessarily be limited in number.

Any child who has been three years retarded in the regular grades through inability to accomplish the prescribed work in the prescribed time is eligible for special help in this class.

Here, each child is given an opportunity to progress in each subject as rapidly as he is able. Some people think that because there were no Special Classes when they went to school, they are not needed now. These classes have always been needed, and their establishment merely demonstrates, that retarded children who had heretofore been neglected, are now given a legitimate opportunity to succeed.

Although essentially more or less alike, children are essentially more or less different, too. The Special class recognizes individual variations in mental equipment and strives to develop special abilities.

This class is an expression of the recognition of these individual differences. Thus we are getting away from the idea of symmetrical development which causes many so called "failures".

We should not expect all children to conform to the same pattern, and their failure to do so is no disgrace.

The grade teacher has a great deal of influence in creating a different attitude and feeling toward the Special Class child.

If all parents and pupils realized that the Special Class affords a real opportunity for these children to progress much further than they could ever hope to in a large class, the stigma that is attached to it would be eradicated.

Respectfully submitted.

MARY P. MULLINS
